## **Restaurant Startup Guide:**

**Restaurant Startup: A Practical Guide (3rd Edition)** Ravi Wazir, 2015-03-01 Do you dream of starting your own restaurant? Venturing into the restaurant business is the popular choice of many prospective entrepreneurs today. Yet of all the eateries cropping up at a rapid pace, only a few survive. The 3rd Edition includes two new chapters, more articles, and several other updates. Discover how to manage risks associated with the business and make well-informed choices for your startup. If you simply wish to get a reality check on the trade, use this book as a primer. If you are a serious entrepreneur looking to realise your restaurant dream, this book will help you develop a roadmap. If you are a hospitality student or academician keen to revisit your understanding, this book will serve as a reference source. I have packed in information on the nuts and bolts of the restaurant industry, as well as techniques to handle money, marketing, manpower, and operational issues. I have shared proven techniques and strategies honed by hospitality professionals over decades, many of which I've used when conceptualizing and developing several food businesses. Whether you are a businessman with no knowledge of restaurants, a practising professional, or an industry student, this book will help you avoid painful mistakes and do it right the first time.

Hoffman, 2017-09-29 How to Start, Run, Grow a Successful Restaurant Business: A Lean Startup Guide. Let's start your restaurant legacy right now, right here. National chains and single independent restaurants all started with an individual and an idea. A concept. A dream. Small ideas can grow into big business. Who would have thought that a guy with a milkshake machine could start a hamburger empire? A pizza made in a garage would start today's pizza wars. A guy with a pressure cooker would start a fried chicken phenomena. Business ownership has always been part of the all-American dream.
