[Assault on Marriage](#)

Thomas D. Logie, 2012-11 Marriage is under assault in most of the world In the Western world the idea of God as Creator is largely scorned and rejected in intellectual circles It is then logical for these intellectuals to attack marriage as well because marriage was the first institution that God created It precedes any form of human government Now we see some of the results of the assault on marriage Children suffer The cohesion of many marriages breaks down whether there is a formal divorce or not That means emotional stresses that human beings were not designed to handle The very foundation of marriage the attraction of one man to one woman is under challenge All of this is based on the assumption that either there is no Creator or that the Creator does not care what we do with His Creation But what if both of these assumptions are wrong What if the Creator pushes back at human challenge and disobedience Is there a way back to joy and harmony between the Creator and humanity There are then two alternatives either we human beings repent and return to what the Creator instructed in the Bible or devastating judgment from the Creator will follow The Bible warns only too clearly that the judgment will in fact fall and that Jesus Christ will impose God's rule with a rod of iron Revelation 2 27 19 15 although it gives no precise timetable But judgment has not yet fallen in full and there may be time for individuals families and even nations to repent and join God's family before all hope is gone This book is intended to address practical issues and forgotten

Healing the Wounds of Sexual Addiction Mark Laaser,2009-05-26 Hope real hope for recovery is within reach This book

goes beyond cliché answers and offers meaningful spiritual and practical steps to healing and freedom from sexual addiction or any addiction. With today's rampant availability of Internet pornography, sexual addiction has become a national epidemic that affects an increasing number of Christians, even pastors and priests. As devastating as any drug habit, it brings heartbreak and despair to those it entangles. But there is help for men and women caught in sexual addiction's downward spiral. This book offers a path that leads beyond compulsive thoughts and behaviors to healing and transformation. Speaking from his own experience with sexual addiction and recovery, Dr. Mark Laaser is sensitive to the shame of sexual addiction without minimizing its sinfulness. He traces the roots of the problem, discusses its patterns and impact, and maps out a biblical approach to self-control and sexual integrity. Whether you know someone with a sexual addiction or struggle yourself, *Healing the Wounds of Sexual Addiction* points the way to understanding wholeness and holiness. Covenant and the Metaphor of Divine Marriage in Biblical Thought, by Sebastian R. Smolarz, 2010-10-14. This volume deals with the varied forms of shame reflected in biblical, theological, psychological, and anthropological sources. Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior, recent scholarship has discovered the crucial relevance of social shame evoked by mental status, adversity, slavery, abuse, illness, grief, and defeat. Anthropologists, sociologists, and psychologists have discovered that unresolved social shame is related to racial and social prejudice, to bullying, crime, genocide, narcissism, post-traumatic stress, and other forms of toxic behavior. Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St. Mark's United Methodist Church in Lincoln, NE, in October 2010. Their essays explore the impact and the transformation of shame in a variety of arenas, comprising in this volume a unique and innovative resource for contemporary religion, therapy, ethics, and social analysis.

Pulpit Peddlers or Godly Preachers Warren E. Anderson Sr., Jonathan M. Anderson, Sr., 2021-03-16 We are sure that from the outset the title of this book has raised eyebrows It has been the topic of many heated conversations and perhaps most of all it has probably caused a lot of consternation among our fellow ministers of the Gospel This book is not designed to bash any preacher However this book does have a twofold purpose First it is to expose and mitigate the negative impact that those individuals who are peddlers of the Word of God as identified by the Apostle Paul in 2 Corinthians 2:17 are having on the church and especially on those in the church who are still babes in Christ and vulnerable to this brand of corrupt pulpit rhetoric Further this book is designed to also hopefully open the eyes of all believers old and new veterans or rookies who are also listening and taking heed to the pulpit peddlers' pimplish rhetoric and missing the true intent and nature of the saving Gospel of Jesus Christ Second and equally if not more importantly this book sets the record straight and resolves the controversy surrounding the preaching of prosperity from the pulpit This book engages both the topic and the reader from what is written in God's Word We avoid popular opinions as well as our own wisdom Instead this book resolves the prosperity controversy based on what God has said about it in His inspired Word By

the time you get to the end of this book you will be certain that it is God's will to bless you based on His riches in glory. However, you will also be certain that God does so according to His individual will for each of us and that He is able to exceedingly and abundantly give above all we can think or ask.
