

The background of the entire cover is a photograph of a calm sea under a vast, cloudy sky. The sun is low on the horizon, creating a golden glow that reflects on the water's surface. A small, dark silhouette of a boat is visible on the horizon line, slightly to the left of the center. The overall mood is peaceful and contemplative.

Propp, 2019-02-05. It is June 2018 as an unusual group of scholars, professors, lecturers, and students gather in a California hotel. They are all attendees of an Apologetics conference intended to join qualified representatives of Christian, Deist, and Atheist thought for a two-week, no-holds-barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference. Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics. Catholicism, liberal Christianity, and Deism are also well supported. The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students. As the participants argue over controversial issues such as cosmology, evolution, The Bible, historical evidence for Jesus, the resurrection, biblical prophecies, and the problem of evil, intellectual fireworks result. But what will result when such a volatile and eclectic group is placed face to face for more than two weeks? *The Debaters of this Age* is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time. Byron as Skeptic and Believer Edward Wayne Marjarum, 1938. **Mission, Dialog und Friedliche Koexistenz -**

Mission, Dialogue, and Peaceful Co-Existence Andrea König, 2010. Dieser Sonderband beinhaltet die Vorträge von 26 Theologinnen und Theologen aus 12 verschiedenen Ländern, die sich zu einer einwöchigen Internationalen Sommerschule an der Universität Regensburg versammelten, um darüber nachzudenken, wie sich Mission und friedliche Koexistenz miteinander vereinbaren lassen. Eine zu beobachtende Zunahme nationalistischer und fundamentalistischer Strömungen in vielen asiatischen Ländern, in denen Christen weitgehend Minderheiten darstellen, aber auch einige Entwicklungen in Deutschland wie Säkularisierung und Migrantenbewegung zeigen die Dringlichkeit der Auseinandersetzung mit dieser Thematik. New Testament Conversations Suzanne Watts Henderson, 2019-08-06 Historical introductions to the New Testament typically devote careful attention to its ancient context exploring these texts against the backdrop of Jewish and Hellenistic thought But biblical scholars have been slower to appreciate the pluralistic setting in which students of all ages read the New Testament today Students today bring to the study of the New Testament an increasing sense that its message while dominant in the Western world for millennia is now just one voice among many religious and philosophical options In this book students encounter the New Testament in relation to the wider landscape of sacred traditions both ancient and contemporary What is more they will reflect on the ways in which both writers and interpreters adopt adapt and elaborate on common views and practices in their own cultural

settings Rather than a repository of doctrinal beliefs the New Testament emerges as a lively conversation partner in the human quest for meaning and purpose Several features distinguish The New Testament Conversation from other introductions to the New Testament The book combines standard historical and literary scholarship on New Testament writings presented in the body of the work with selected excerpts from non Christian traditions In addition students will encounter diverse interpretations of selected New Testament passages across time and place Finally this book presents historical literary and theological questions as mutually illuminating rather than oppositional This book describes the New Testament s contents as inherently religious responses to the realities of the Roman world both in occupied Palestine and beyond Jesus appears in these texts as a savior who is apocalyptic prophet messianic figure and community organizer As a divinely sanctioned agent of God s coming reign Jesus elicits allegiance to a divine rather than human ruler in ways that carry both religious and socio political implications Thus more than other books this textbook highlights the communal context and implications of each writing

Always Being Reformed David Hadley Jensen,2016-03-31 One of the most persistent slogans of Reformed theology is that it is reformed and always being reformed But what does this slogan mean This volume gathers thirteen essays written by a younger generation of Reformed theologians who teach and write on five different continents who together offer this work in Christian systematic theology Unlike many other works of Reformed theology however this book is framed by pressing contextual issues and questions instead of traditional loci Each chapter engages classical doctrine but does so through the lens of contemporary lived experience in particular contexts The result is not a theology where doctrines are applied to contexts but an approach where doctrine and context mutually shape one another The contributors take seriously the notion that theology is always being reformed and is always partial ever on the way hence it requires conversation partners beyond the Reformed family of faith The result is a study in Reformed theology

that is thoroughly ecumenical **Creedal Apologetics** Nancy A. Almodovar, 2021-03-19 The Apostles Creed was used in two distinct ways by the early Christian church first as a tool to teach new disciples the essentials of the faith and second as a defense for the faith from unbelievers and skeptics alike In the world today many are engaged in apologetics but with their presuppositions and subjective reasoning they offer the world nothing different than their own subjective beliefs Using the Apostles Creed as a guide enables the Christian to give a hope for the faith within using objective truths based on eyewitness testimony This book teaches you how to use the Creed to stay on topic and bring out the essentials of the faith in a concise and graceful manner Dr Almodovar gives a rubber hits the road approach to apologetics offering various scenarios to show how Creedal apologetics is accomplished This simple tool the Apostles Creed once used for defense is dusted off polished up and sharpened so that today's Christians can defend and proclaim the great gospel of Jesus Christ to a world in desperate need of the forgiveness of sins and new life in his name **Is the Bible True . . . Gnostics David Brakke, 2012-09-03 Who were the Gnostics And how did the Gnostic movement influence the development of Christianity in antiquity Is it true that the Church rejected Gnosticism This book offers an illuminating discussion of recent scholarly debates over the concept of Gnosticism and the nature of early Christian diversity Acknowledging that the category Gnosticism is flawed and must be reformed David Brakke argues for a more careful approach to gathering evidence for the ancient Christian movement known as the Gnostic school of thought He shows how Gnostic myth and ritual addressed basic human concerns about alienation and meaning offered a message of salvation in Jesus and provided a way for people to regain knowledge of God the ultimate source of their being Rather than depicting the Gnostics as heretics or as the losers in the fight to define Christianity Brakke argues that the Gnostics participated in an ongoing reinvention of Christianity in which other Christians not only rejected their ideas but also adapted and transformed them This book will challenge scholars to think in new ways but it also provides an accessible introduction to the Gnostics and their fellow early Christians
