Resources in Education ,1986 Education and the Urban Community Maurie Hillson,Francesco Cordasco,Francis P. Purcell,1968 Geography Heidi Hayes Jacobs,1998 **Consent in the Childhood Classroom** Clio Stearns,2022-02-21
Consent in the Childhood Classroom challenges typical premises of social and emotional learning self regulation and putative misbehavior by centering the theme of consent in the experiences of young children and their teachers Early childhood and elementary teachers often face disruptions and acts of dissent from young students without a helpful conceptual framework for understanding how these expressions may stem from social injustices developmental nuances and problematic assumptions about the nature of children s agency By posing complex yet relatable questions about the presumptions of authority positivity and routines in learning environments and drawing on classroom anecdotes along with interviews with children and teachers this book offers an accessible approach to cultivating expansive relationships in the classroom a vision for a richer and more mutual education and a clearer understanding of what school means from the perspective of the child
