Rethinking Leadership A Collection Of Articles:

Rethinking Leadership Thomas J. Sergiovanni, 2000-08 Appropriate for courses in Educational Leadership Rethinking Leadership analyzes leadership roles based on values and ideas rather than on bureaucratic processes This collection of articles by Thomas Sergiovanni promotes substance not process as the key to leadership Three sections comprise the book section one defines leadership as a moral craft section two addresses the developmental stages of leadership and section three discusses leadership roles in the learning community A common theme through all three sections stresses the importance of effective leaders being able to build learner centered communities

Rethinking Leadership Thomas J. Sergiovanni, 2007 In this updated collection of revolutionary articles Sergiovanni encourages school leaders to discover the craft of moral leadership practice effective instructional leadership and build strong learning communities
