**Revelation** Dr. Billy J. Owensby, 2015-09-04 The book of Revelation is one of the most exciting books in all of God's Word Yet for many it is one of the most confusing Revelation The Time Is Near will give the pastor teacher and the Bible student a greater understanding of God's plan for the ages You can be aware of coming events such as the Rapture of the church the Second Coming of Christ the Antichrist and the mark of the beast and other prophetic events Revelation The Time Is Near is an exegesis of the book of Revelation God's Word will come alive as you walk through the pages of this book Revelation

Ian Foley, 2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of God's plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next Because the Time is Near

John MacArthur, 2007-03-01 Not only is Revelation the inspired Word of God it is also the only New Testament book that includes a promised spiritual blessing for those who heed its message If you read and obey the words of Revelation God promises that you will be blessed The Time Is Near

Robb Moser, 2017-12-14 Jesus said in the great commission of Matthew 28 16 20 But the eleven disciples proceeded to Galilee to the mountain which Jesus had designated When they saw Him they worshiped Him but some were doubtful And Jesus came up and spoke to them saying all authority has been given to Me in heaven and on earth Go therefore and make disciples of all the nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe

all that I commanded you and lo I am with you always even to the end of the age The end of the age in this passage means the end of the church age the church has been on the earth for 2 000 years He who has an ear let him hear the time is near I wrote this book The Time is Near about the book of Revelation in the Bible Revelation is the last book in the Word of God and gives the reader an inside look at the things to come at the end The revelation of Jesus Christ is not a revelation of man Many inside and outside the church have tried to explain it Most believers and unbelievers have ignored it It s important to keep in mind that the Bible is not a complex book as a whole therefore the book of Revelation should not be viewed as too difficult to understand The text of Scripture used in this book is paraphrased from the King James Version KJV for reader clarity and quoted New American Standard Bible NASB for cross reference Both the KJV and NASB are considered two of the most literal translations of the original Hebrew and Greek texts God sent this final message to explain the things at the end of the church age The book is divided into three parts the past the present and the future Although there are abstract verses the symbolic language always represents a reality behind the passage The word Revelation means uncover It brings to light Jesus Christ reveals Himself to man If you keep this in mind the mystery of Revelation is really no mystery at all What was not known about God can be known As we work our way through the Scripture I ll keep the focus on the literal interpretation of text Because our sinful nature wants to deny the revealed truth of God my goal is not to read in between the lines I think the words speak for themselves We are all guilty of taking the words of others out of context so lets not do that with the words of God either Remember the value of the text is found when it makes sense Sometimes what is true is hard to accept but it s valuable to know For example we all die Revelation is simple to understand when we keep it simple and avoid over thinking it I have included some famous names inside and outside the church Names known I did this on purpose I didn t do it to be mean I didn t do it to hurt the feeling of those that follow them Read and hear this important Bible verse Paul said to the church in Ephesus to be imitators of God in Ephesians 5 11 Do not participate in the unfruitful deeds of darkness but instead even expose them So I name names based on the need to expose false prophets false teachers and false religions I ve laid the ground work regarding the background of this book lets get started About the Author Robb Moser is saved by Grace alone through Faith alone in Christ alone according to Scriptures alone for the glory of God alone Robb is a minister from Genesis to Revelation the publisher of Verse to Verse and pastor of The Way Moser preaches the Word of God and teaches the Gospel of Jesus Please visit [www.versetoverse.org](http://www.versetoverse.org) or contact Robb Moser at email [versetoverse.org](mailto:versetoverse.org) for more information Robb graduated with a marketing degree from San Diego State and retired from a 30 year corporate sales career with large companies in multiple industries Moser completed truck driving school and delivers industrial gas in tanker trailers Moser Co 19927 County Road 26 2 Dolores Colorado 81323 2017 Moser Co All Rights Reserved     [The Apocalypse Explained](#) [According to the Spiritual Sense](#) Emanuel Swedenborg,1890     *The Apocalypse Explained: Chapters I-IV* Emanuel Swedenborg,1928     [End Times](#) Thomas P Nass,2011-07-01 What are the End Times in the Bible What did Jesus mean when

he said Behold I am coming soon A thorough examination of biblical end times teachings this book looks at the topics of death judgment heaven and hell Author and pastor Thomas Nass masterfully presents what the Bible teaches about the end of the world Christ s second coming the resurrection of the body judgment day and other apocalyptic events You ll uncover various misconceptions and false teachings about the last days and Christ s return for a true understanding of Scripture s presentation of the end times Most importantly in reading this book you ll find that the central focus remains on Christ your Savior The People s Bible Teachings is a series of books on all the main teachings of the Bible Following the pattern set by The People s Bible series these books are written for all Christians in an easy to read manner The authors of The People s Bible are all pastors and professors who have had years of experience teaching others about the Bible *End Time Signs* Kurt B. Bakley,2012-07-27 Will Israel and the U S be destroyed or partially destroyed in 2012 2019 or 2026 2030 and beyond and Muslims Catholics and communism take over most of the world Were there strange things going around the sun the moon changing degrees and phases stars that aren t where there suppose to be and the magnetic poles changing mostly reported secretly in 2001 2011 Did NASA or scientists and astronomers brush the pictures of them away so not to scare people Did the Bible Code predict strange behavior of the moon in 2011 Will a great tidal wave hit the U S East Coast in 2012 2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2026 2030 and utterly destroy the entire United States if it still around after the war of 2012 2019 Will the Muslims communism and Catholics persecute Christians Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don t deny Christ and convert to Islam Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U S are destroyed and no Rapture or end or Second Coming of Christ happened Several of the Bible prophecies predict God will not make a full end of the U S Israel and the world at this time and pockets of people and nations may or may not survive God may save the U S Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers But if they don t then these events may start to happen This book was written by June 12 2012 **Dreams, Visions, Imaginations** Jens Schröter,Tobias Nicklas,Armand Puig i Tàrrrech,2021-02-08 The contributions in this volume are focused on the historical origins religious provenance and social function of ancient Jewish and Christian apocalyptic literature including so called Gnostic writings Although it is disputed whether there was a genre of apocalyptic literature it is obvious that numerous texts from ancient Judaism early Christianity and other religious milieus share a specific view of history and the world to come Many of these writings are presented in form of a heavenly divine revelation mediated through an otherworldly figure like an angel to an elected human being who discloses this revelation to his recipients in written form In different strands of early Judaism ancient Christianity as well as in Gnosticism Manichaeism and Islam apocalyptic writings played an important role from early on and were produced also in later centuries One of the most characteristic features of these texts is their specific interpretation of

history based on the knowledge about the upper divine realm and the world to come Against this background the volume deals with a wide range of apocalyptic texts from different periods and various religious backgrounds The Bible; It Is What It Is ESSDALE WILSON,2011-07-01 The Bible has outsold every other book that was ever written This book is the filler for what little space that is available Everyone should own memorize and apply the contents because 1 It is reader friendly a special effort has been put into removing the suffering associated with forced obligatory reading 2 WHAT IT IS is must reading for those searching for spiritual contact It is the paradigm for methodology that is practical for those who prefer to do their own research and analysis that all are capable of About my expertise I spent years in the field of education I read the Bible I also spent many hours researching reading others efforts interpretations and speculation If you did also without others con trolling your exposure and interpretation you can not be conned or frightened into zombotic behavior Nor will you be controlled by those that ignore Bible text because it conflicts with a concocted word independent of the Biblical ingredients I dont understand how anyone can be accused of attacking the Bible when the only attack is directly quoting the text THE BIBLE IS WHAT IT IS Is contorting the text the only acceptable method of examining it Is it acceptable to manufacture conclusions then twist the text to support those conclusions Im done and going to bed I AM WHAT I AM

**The Book of Revelation** Margaret Jenkins Baker, 2014-05-05 The Book of Revelation comes with a blessing to all who read it hear it and do what it says The question is How can we understand it if it is presented to us in the form of symbols Symbols can be understood after the prophecy has been fulfilled and believers are encouraged when they look back in history and see what the symbols represented God uses symbols to keep what He has planned a mystery before it takes place that way neither man nor Satan can compromise it Revelation teaches us that God blesses overcomers warns of judgment and tells us what will happen to those who do not listen In The Book of Revelation Satan uses Paganism symbolized by the Dragon The Antichrist symbolized by the Beast and False Doctrine symbolized by the False Prophet to stop the truth of the gospel The reader will learn from the Reformers what each of these systems are how they rose to power how their power was taken away and how they come on the scene again for a little season before the Second Coming of our Lord
