Guide to Apocalyptic Cinema Charles P. Mitchell, 2001-02-28 This examination and comprehensive assessment of apocalyptic film studies fifty films that illustrate the variety range and different categories of the genre Apocalyptic films are those that depict on screen as part of the story an event threatening the extinction of mankind A brief overview identifies seven major categories of apocalyptic films the religious or supernatural celestial collision solar or orbital disruption nuclear war and radioactive fallout germ warfare or pestilence alien device or invasion and scientific miscalculation Alphabetically arranged entries rate the films and provide production information an annotated cast listing a synopsis of the film a critique and representative quotes Film scholars and those with a special interest in apocalyptic cinema will appreciate the overview and detailed analysis of the films Appendices provide additional examples of apocalyptic movies excluded from the main text a sampling of post apocalyptic cinema which is distinct from the apocalyptic genre and examples of apocalyptic television Illustrations are included [The Vampire Files, Volume One](#) P. N. Elrod, 2003-10-07 Bloodlist introduces Jack Fleming an investigative journalist in Prohibition era Chicago who got bitten by a vampire In Lifeblood and Bloodcircle Jack hunted for the men who killed him and for his long lost love Maureen Now the original vampire noir cult classics by P N Elrod are together for the first time in one volume easier for fans to sink their teeth into [Vampire](#) Manuela Dunn Mascetti, Manuela Dunn-Mascetti, 1994 This encyclopedic and exquisitely eerie guide is as elegant and menacing as the creature it describes With nearly 200 photographs and illustrations this entertaining and erudite collection of myth folklore literature and popular culture is seductively priced in its new paperback edition **Unholy Hungers** Barbara E. Hort, 1996-06-18 Vampires are not just imaginary creatures of fiction or legend they really exist They are the people who having never received love settle for power instead and become experts at robbing others of their vital energy We've all known them In her fascinating study of this dark psychological archetype Barbara Hort looks to traditional myths as well as to their modern equivalents in literature theater and film following a blood soaked trail to such unexpected destinations as The Silence of the Lambs Snow White and the Broadway musical Gypsy She offers insight into how psychic vampires originate how we allow ourselves to be caught in their clutches and how we can protect ourselves from their seductive influence *A Field Guide to Monsters* Dave Elliott, 2004 *Dangerous Games* Joseph P. Laycock, 2015-02-12 The 1980s saw the peak of a moral panic over fantasy role

playing games such as Dungeons and Dragons A coalition of moral entrepreneurs that included representatives from the Christian Right the field of psychology and law enforcement claimed that these games were not only psychologically dangerous but an occult religion masquerading as a game Dangerous Games explores both the history and the sociological significance of this panic Fantasy role playing games do share several functions in common with religion However religion as a socially constructed world of shared meaning can also be compared to a fantasy role playing game In fact the claims of the moral entrepreneurs in which they presented themselves as heroes battling a dark conspiracy often resembled the very games of imagination they condemned as evil By attacking the imagination they preserved the taken for granted status of their own socially constructed reality Interpreted in this way the panic over fantasy role playing games yields new insights about how humans play and together construct and maintain meaningful worlds Laycock s clear and accessible writing ensures that Dangerous Games will be required reading for those with an interest in religion popular culture and social behavior both in the classroom and beyond
