"Prior Series." ,1966 Prior series comprised of the original handwritten index for Sept 18 1851 Aug 31 1858 reproduced in facsimile and the newly prepared index for Sept 1858 Dec 1912 The Definition of Anti-Semitism Kenneth L. Marcus,2015-07-17 What is anti-Semitism The Definition of Anti-Semitism is the first book length study to explore this central question in the context of the new anti-Semitism Previous efforts to define anti-Semitism have been complicated by the disreputable origins of the term the discredited sources of its etymology the diverse manifestations of the concept and the contested politics of its applications Nevertheless the task is an important one not only because definitional clarity is required for the term to be understood but also because the current conceptual confusion prevents resolution of many incidents in which anti-Semitism is manifested The Definition of Anti-Semitism explores the various ways in which anti-Semitism has historically been defined demonstrates the weaknesses in prior efforts and develops a new definition of anti

Semitism especially in the context of the new anti-Semitism in American higher education *Miscellaneous Publication - National Bureau of Standards* United States. National Bureau of Standards,1965 Computer Literature Bibliography United States. National Bureau of Standards,1965 **Unlawful Advances** Celene Reynolds,2025-08-19 The remarkable story of the women who defined sexual harassment as unlawful sex discrimination under Title IX When the US Congress enacted Title IX of the Education Amendments of 1972 no one expected it to become a prominent tool for confronting sexual harassment in schools Title IX is the civil rights law that prohibits education programs from discriminating on the basis of sex At the time however the term sexual harassment was not yet in use this kind of misconduct was simply accepted as part of life for girls and women at schools and universities In *Unlawful Advances* Celene Reynolds shows how the women claiming protection under Title IX made sexual harassment into a form of sex discrimination barred by the law Working together feminist students and lawyers fundamentally changed the right to equal opportunity in education and schools obligations to ensure it Drawing on meticulously documented case studies Reynolds explains how Title IX was applied to sexual harassment linking the actions of feminists at Cornell Yale and Berkeley Through analyses of key lawsuits and an original dataset of federal Title IX complaints she traces the evolution of sexual harassment policy in education from the early applications at elite universities to the growing sexual harassment bureaucracies on campuses today and how the work of these feminists has forever shaped the law university governance and gender relations on campus Reynolds argues that our political and interpretive struggle over this application of Title IX is far from finished Her account illuminates this ongoing effort as well as the more general process by which citizens can transform not only the laws that govern us but also the very meaning of equality under American law *Computer Literature Bibliography: 1946-1963* W.
