Ricks, 2018-02-22 This book acknowledges the existence of high quality nonfiction children's literature that may serve as a basis for conversation about civic engagements and our roles as global citizens. It touches on our social history and offers ideas for how educators might be able to engage readers in healthy and useful dialogues on what it means to be human and how nonfiction texts attempt to reconstruct this reality in this quest to recognize our collective humanity Preparing to Teach Social Studies for Social Justice Ruchi Agarwal-Rangnath, Alison G. Dover, Nick Henning, 2016-04-15 This practical book shows how veteran justice oriented social studies teachers are responding to the Common Core State Standards focusing on how they build curriculum support students literacy skills and prepare students to think and act critically within and beyond the classroom. In order to provide direct classroom to classroom insights the authors draw on letters written by veteran teachers addressed to new teachers entering the field. The first section of the book introduces the three approaches teachers can take for teaching for social justice within the constraints of the Common Core State Standards embracing reframing or resisting the standards. The second section analyzes specific approaches to teaching the Common Core using teacher narratives to illustrate key processes. The final section demonstrates how teachers develop support and sustain their identities as justice oriented educators in standards driven classrooms. Each chapter includes exemplary lesson plans drawn from diverse grades and classrooms and offers concrete recommendations to guide practice. This book offers advice from experienced educators who have learned to successfully navigate the constraints of high stakes testing and standards based mandates shares and analyzes curricular and pedagogical approaches to teaching the Common Core and examines a range of philosophical and political stances that teachers might take as they navigate the unique demands of teaching for social justice in their own context Questioning Assumptions and Challenging Perceptions Connie L. Schaffer, Meg White, Corine Meredith Brown, 2016-01-15 For a moment consider you don't know what you don't know. What individuals know about urban schools is often based on assumptions and perceptions. It is important for individuals to examine these assumptions and perceptions of urban schools and the students who attend them. While many textbooks support how teachers should teach students in urban settings this book asserts individuals can be effective teachers in these settings only if they first develop an understanding urban schools and the students who attend them. As readers progress through the chapters they will realize they don't know what they don't know. Within a framework of cognitive dissonance readers will continuously examine and reexamine their personal beliefs and perceptions. Readers will also investigate new information and varied perspectives related to urban schools. When readers finish this book they will be on their way to becoming effective teachers in urban environments **Creating Critical Classrooms** Mitzi Lewison, Christine Leland, Jerome C. Managing Diversity -- The Courage to Lead Elsie Y. Cross, 2000-04-30 White women and people of color now constitute the majority of the U S workforce yet ninety seven percent of senior managers of Fortune 500 and Fortune 1 000 industrial companies remain white men It's clear that leaders of American organizations are

required to play key roles in a world that has become strange to them says Cross To succeed in an increasingly competitive global environment our organizational leaders must have the courage to act outside their comfort zones to try to understand interact with motivate develop and retain a work force that is alien to them Cross book provides the practical assistance they need Because racism sexism and other forms of oppression are not rational help cannot be found wholly in rationalism Such biases arise from emotional and psychological bases Our leaders are thus forced to confront their barriers within barriers that exist at every level of their organization Cross uses her own experiences as an African American woman and as an experienced and recognized management consultant to demonstrate how oppression functions at the individual group and systems levels but her book is not a memoir Rather it is a sophisticated explication of a complex and complete system of organizational change with case studies and other useful aids which if fully grasped will enable courageous leaders to succeed in understanding and dealing effectively with the urgent crosscultural and gender issues in the workplace
