**Psychoanalysis** Duane Rousselle, Mark Gerard Murphy, 2023-12-22 Negativity in Psychoanalysis examines the role of negativity in psychoanalytic theory and its application in clinical settings While theories around negativity and death drive

have become routinized within philosophical interpretations of Freudian and Lacanian psychoanalysis they often mask an inherent positivity This volume assembles highly esteemed psychoanalytic theorists and clinicians for an in depth discussion on the topic It features comprehensive introductions to Freudian and Lacanian perspectives alongside contemporary clinical and cultural issues The book also investigates how psychoanalytic negativity influences and is influenced by social theological and philosophical dialogues This work will prove invaluable for practicing psychoanalysts and those in training while also appealing to academics and scholars in critical and cultural theory continental and post continental philosophy and sociology especially those whose research intersects clinical and theoretical traditions
