New Media in Black Women's Autobiography T. Curtis,2015-03-04 Examining novelists bloggers and other creators of new media this study focuses on autobiography by American black women since 1980 including Audre Lorde Jill Nelson and Janet Jackson As Curtis argues these women used embodiment as a strategy of drawing the audience into visceral identification with them and thus forestalling stereotypes

Vinyl Dominik Bartmanski,Ian Woodward,2020-06-08 Recent years have seen not just a revival but a rebirth of the analogue record More than merely a nostalgic craze vinyl has become a cultural icon As music consumption migrated to digital and online this seemingly obsolete medium became the fastest growing format in music sales Whilst vinyl never ceased to be the favorite amongst many music lovers and DJs from the late 1980s the recording industry regarded it as an outdated relic consigned to dusty domestic corners and obscure record shops So why is vinyl now experiencing a rebirth of its cool Dominik Bartmanski and Ian Woodward explore this question by combining a cultural sociological approach with insights from material culture studies Presenting vinyl as a multifaceted cultural object they investigate the reasons behind its persistence within our technologically accelerated culture Informed by media analysis urban ethnography and the authors interviews with musicians DJs sound engineers record store owners collectors and cutting edge label chiefs from a range of metropolitan centres renowned for thriving music scenes including London New York Tokyo Melbourne and especially Berlin what emerges is a story of a modern icon

Slow Print Elizabeth Carolyn Miller,2013-01-09 This book explores the literary culture of Britain s radical press from 1880 to 1910 a time that saw a flourishing of radical political activity as well as the emergence of a mass print industry While Enlightenment radicals and their heirs had seen free print as an agent of revolutionary transformation socialist anarchist and other radicals of this later period suspected that a mass public could not exist outside the capitalist system In response they purposely reduced the scale of print by appealing to a small counter cultural audience Slow print like slow food today actively resisted industrial production and the commercialization of new domains of life Drawing on under studied periodicals and archives this book uncovers a largely forgotten literary political context It looks at the extensive debate within the radical press over how to situate radical values within an evolving media ecology debates that engaged some of the most famous writers of the era William Morris and George Bernard Shaw a host of lesser known figures theosophical socialist and birth control reformer Annie Besant gay rights pioneer Edward Carpenter and proto modernist editor Alfred Orage and countless

anonymous others *Congressional Record* United States. Congress,1972 **FAA Aviation News** ,1996 *If You're in a Dogfight, Become a Cat!* Leonard Sherman,2017-01-10 Businesses often find themselves trapped in a competitive dogfight scratching and clawing for market share with products consumers view as largely undifferentiated Conventional wisdom suggests that dogfights are to be expected as marketplaces mature giving rise to the notion that there are bad industries where it is unlikely that any company can succeed But there are notable exceptions in which enlightened executives have changed the rules to grasp the holy grail of business long term profitable growth Rather than joining the dogfights raging within their industry companies such as Apple FedEx and Starbucks have chosen to become metaphorical cats continuously renewing their distinctive strategies to compete on their own terms In *If You're in a Dogfight Become a Cat* Leonard Sherman draws on four decades of experience in management consulting venture capital and teaching business strategy at Columbia Business School to share practical advice on two of the most vexing issues facing business executives why is it so hard to achieve long term profitable growth and what can companies do to break away from the pack Sherman takes the reader on a provocative journey through the building blocks of business strategy by challenging conventional wisdom on a number of questions that will redefine management best practices What should be the overarching purpose of your business Do you really know what your strategy is Is there such a thing as a bad industry Where do great ideas come from and how do I find them What makes products meaningfully different What makes and breaks great brands How and when should I disrupt my own company What are the imperatives to achieving long term profitable growth Filled with dozens of illustrative examples of inspiring successes and dispiriting falls from grace this book provides deep insights on how to become the cat in a dogfight whether you are a CEO mid level manager aspiring business school student or curious observer interested in achieving sustained profitable growth **Discourse and Crisis** Antoon De Rycker,Zuraidah Mohd Don,2013-12-15 *Discourse and Crisis* Critical perspectives brings together an exciting collection of studies into crisis as text and context as unfolding process and unresolved problem Crisis is viewed as a complex phenomenon that in its prevalence disruptiveness and appearance of inevitability is both socially produced and discursively constituted The book offers multiple critical perspectives in depth linguistically informed analyses of the discourses of power and collaboration implicated in crisis construal and recovery detailed examination of the critical role that language plays during the crisis life cycle and further problematization of the semiotic material complexity of crisis and its usefulness as an analytical concept The research focus is on the discursive and interactive mediation of crisis in organizational political and media texts The volume contains contributions from across the world offering a polyphonic overview of discourse and crisis research This impressive volume will be useful to researchers and academics working on the intersection of crisis language and communication It is also of interest to practitioners in organizational management politics and policy and media **Rethinking Northern Ireland** David Miller,2014-09-25 *Rethinking Northern Ireland* provides a coherent and critical account of the Northern Ireland

conflict Most writing on Northern Ireland is informed by British propaganda unionist ideology or currently popular ethnic conflict paradigm which allows analysts to wallow in a fascination with tribal loyalty Rethinking Northern Ireland sets the record straight by reembedding the conflict in Ireland in the history of an literature on imperialism and colonialism Written by Irish Scottish and English women and men it includes material on neglected topics such as the role of Britain gender culture and sectarianism It presents a formidable challenge to the shibboleths of contemporary debate on Northern Ireland A just and lasting peace necessitates thorough re evaluation and Rethinking Northern Ireland provides a stimulus to that urgent task

Health in Theory and Practice Steve Kippax, 2019-03-20 Health in Theory and Practice is a book to read now and reference later It lays out the rationale for self maintenance and personal growth and development through diet exercise and breathing exercises qigong It offers an energetic understanding of health and disease and compares it to pharmaceutical driven Western medicine symptom suppression Neither is right or wrong it is more a case of suitability and appropriateness The book also advocates the wisdom of choosing the correct options at the correct time If and when disease does occur it provides solutions via dietary advice herbal medicine homeopathy and acupuncture massage A guide to living life in a healthy way and looking after oneself this features the the Four Pillars of total health diet sensible exercise breathing and treatment The first four chapters lay down the foundations for understanding health through holistic energetic medicine as a different approach to orthodox pharmaceutical driven disease intervention The next three chapters are the practical treatment options herbal medicine homeopathy massage acupuncture Chapter eight is a repertory where a symptom or disease can be looked up and answers found using one or all of the different treatments as well as dietary and life style advice The final chapter provides a sample day in the life Health in Theory and Practice is not only a guide to maintaining health it is also designed to be an essential reference when disease occurs

Arms Race Neil Wooding, 2016-11-14 Trapped in a dead end existence after being thrown out of the Terran Tactical Force 34 year old ex military Junior Grade Lieutenant Kathryn Kass now finds herself the Captain of a decrepit interstellar freighter The Intrepid Star Working for the Raven Ore Corporation on Mars she shuttles a rare crystalline ore called Corismite from the distant edge of human space back to the refineries on Earth The refined Corismite crystals are needed for the power systems of deep space vessels and the search for the ore had driven mankind to the far flung reaches of our solar system and beyond It is nearly the new 22nd century and Kathryn captains her deep space freighter near the borders of a race known as the Flexani an advanced octopoid alien species who had first encountered Mankind some 70 years previously At their first encounter Man and Flexani had shared their technologies and the Flexani had given mankind the means to reach out to the stars However Mankind's inevitable greed ended this fragile liaison Deception and hatred followed and Mankind fought its first interstellar war with the aliens After a last great battle was fought around Jupiter peace accords were signed An unstable and fragile agreement now persists keeping interactions between the races to a minimum Both sides knew a second war must be coming but when and

who would be ready Kath ryn suddenly finds herself at the centre of this burgeoning new Stellar War When the Intrepid Star becomes the first victim of hostilities little does she know that fate is about to throw her into a strange partnership with an enemy the very enemy who ordered the destruction of her ship and crew The two of them race against time in order to unravel the clandestine plans of both their homeworlds leaders and stop the impending Second Stellar War from destroying them all Kath ryn must also battle with her own demons and beliefs in an epic race that could decide the fate of many solar systems
