MAN IN THE GREEN SHIRT

Handwritten musical score for the song "Man in the Green Shirt". The score is written on ten staves. The first staff is marked with a treble clef, a key signature of one sharp (F#), and a time signature of 4/4. The melody is written on the first staff, and the lyrics "MAN IN THE GREEN SHIRT" are written below the staves. The score includes various musical notations such as notes, rests, and bar lines. The word "WE" is written in large, bold, green letters across the staves, partially obscuring the musical notation. The score is handwritten and appears to be a personal or working draft.

However, meteorologists do their best to study past and current weather patterns to make educated guesses about how the weather may be in the near future. Meteorologists use a number of tools to help them forecast the weather, such as weather balloons, satellites, and Doppler radar. Readers will learn that these tools help meteorologists forecast the weather and may also help them save lives in the event of severe weather.
