

Review about a website

Introduciton

- briefly explain which website you are going to review, no details are necessary

2nd paragraph

- give an explanation of what information the website provides, what is its purpose
- focus on how the website is presented= home page, links, pictures, graphics
- describe good/bad points respectively (write the general opinion, not your personal one yet)

3rd paragraph

- say what you like/dislike about the website (in your view, give your personal opinion)
- give your recommendation
- don't forget to link this paragraph with the 2nd one

Last paragraph

- summarize your review

Useful words/phrases to use

- **introduction:** to begin with, I would like to review
- **the 2nd paragraph:** although, however, first of all, firstly, secondly, finally, on one hand/on the other hand, last but not least,
 - **the 3rd paragrapgs:** I would highly / strongly recommend, I was pleasantly surprised by, I certainly wouldn't recommend, I strongly advise you (not) to, I would strongly encourage you
- **the last paragraph:** overall, to sum up, to summarize, in conclusion, in short

Is ThoughCo worth it?

The website I would like to review is the world's largest education resource ThoughtCo.

To begin with, let me briefly introduce this website. It is an educational website with various topics like science, history, religion, and current issues. Firstly, one of the most significant features of every website is its design. ThoughtCo is designed in a very creative and eye-catching way. The graphics and pictures are colorful, diverse, and right on point. On top of that, the website is easily readable and offers a variety of different topics. Moreover, the articles are engaging and generally admired by the readers.

Last but not least, I myself would encourage you to explore this website since it is definitely at the top of my list of favorite websites. It is enjoyable to read, colorful, and has a diversity of topics. The only criticism I would make is that its articles sometimes lack pictures and interesting titles. As a result, people often skip articles with dull titles but educative and engaging content.

To summarize, I believe that ThoughCo is one of the most educative and helpful websites I know. Although it is not flawless, I would highly recommend everybody to give it a chance.

Website Review Pepsicom English Edition

Truth Be Told John O'Brien,David Gallagher,2021-04-03 Purpose as a business philosophy has resulted in organizations struggling to make sense of what they need to do and made purpose washing commonplace Identify the challenges and opportunities in the age of purpose and learn how to create authentic messaging activate successful campaigns and asses the value that these have for key audiences Purpose has become a leadership and managerial imperative for businesses large and small non profit organizations and charities However many businesses don t know how to clearly execute this and the marketing and PR function of many companies struggle disproportionately as a result This had led to an increase in cynicism and the growth of purpose washing However when purpose is created with an authentic culture the opportunity for building brand reputation and positive customer engagement is significant Truth Be Told will help readers understand exactly how to achieve this and present the core truths of their company or organization to drive clear authentic purpose powered communication

Framing Fat Samantha Kwan,Jennifer Graves,2013-05-03 According to public health officials obesity poses significant health risks and has become a modern day epidemic A closer look at this so called epidemic however suggests that there are multiple perspectives on the fat body not all of which view obesity as a health hazard Alongside public health officials at the Centers for Disease Control and Prevention are advertisers of the fashion beauty complex food industry advocates at the Center for Consumer Freedom and activists at the National Association to Advance Fat Acceptance Framing Fat takes a bird s eye view of how these multiple actors construct the fat body by identifying the messages these groups put forth particularly where issues of beauty health choice and responsibility

and social justice are concerned Samantha Kwan and Jennifer Graves examine how laypersons respond to these conflicting messages and illustrate the gendered raced and classed implications within them In doing so they shed light on how dominant ideas about body fat have led to the moral indictment of body nonconformists essentially framing them for their fat bodies

Marketing for Nonprofit Organizations Stacy Landreth Grau,2021-01-01 Successful nonprofit marketing can capture the attention of donors volunteers legislators and service consumers Recognition like this can lead to a successful organization for years to come The second edition of Marketing for Nonprofit Organizations provides various strategies to build upon when marketing for nonprofit and social impact organizations Stacy Landreth Grau integrates research based insights and practice based innovation with a comprehensive introduction to the basics of marketing for small and medium sized organizations She breaks the academic research into understandable and digestible points within her chapters making this a great primer for nonprofit professionals and anyone interested in working for or starting a nonprofit The book provides readers with an indispensable overview of marketing This new edition highlights new and innovative organizations and how they are using methods new to the field Grau explains the fundamentals of marketing for nonprofits It is an ideal resource for courses in both business schools and social work programs as well as nonprofit managers who are ready to explore new and innovative ways to support their organization Upon finishing this book readers will know how to integrate important aspects of marketing into the fabric of an organization s mission including brand strategy social media market research target audience selection promotional tactics and market valuation

Responsible Care Nicholas Cheremisinoff,Paul Rosenfield,Anton Davletshin,2013-11-25 Environmental regulations provide protection to the public workers and the environment To protect themselves from long term liabilities however companies have to do more than just comply with the basic responsibilities This handbook is designed to introduce terminology methodology tools procedures and practical guidance for incorporating efficient pollution prevention strategies into the overall business plan It is a company s responsibility to protect and control its management of waste and pollution and a company that fails to do so will ultimately inflict a negative impact on its bottom line especially in financial performance Responsible Care delivers critical guidelines and rules of thumb required for industrial managers to improve their companies profitability through waste reduction cleaner production technologies and sound management practices

[Responsibility and Green Management](#) Ananda Das Gupta,2023-08-23 This volume of Critical Studies on Corporate Responsibility Governance and Sustainability harnesses corporate responsibility and green management to integrate social and environmental concerns into productive business operations paving the way for future successes in emerging economies

Creating Equal Opportunities for a Healthy Weight Institute of Medicine,Food and Nutrition Board,Standing Committee on Childhood Obesity Prevention,2013-12-25 Creating Equal Opportunities for a Healthy Weight is the summary of a workshop convened by the Institute of Medicine s Standing Committee on Childhood Obesity Prevention in June 2013 to examine income race and ethnicity and how these factors intersect with childhood obesity and its prevention Registered participants along with viewers of a simultaneous webcast of the workshop heard a series of presentations by researchers policy makers advocates and other stakeholders focused on health disparities associated with income race ethnicity and other characteristics and on how these factors intersect with obesity and its prevention The workshop featured invited presentations and discussions concerning physical activity healthy food access food marketing and messaging and the roles of employers health care professionals and schools The IOM 2012 report Accelerating Progress in Obesity Prevention acknowledged that a variety of characteristics linked historically to social exclusion or discrimination including race ethnicity

religion socioeconomic status gender age mental health disability sexual orientation or gender identity geographic location and immigrant status can thereby affect opportunities for physical activity healthy eating health care work and education In many parts of the United States certain racial and ethnic groups and low income individuals and families live learn work and play in places that lack health promoting resources such as parks recreational facilities high quality grocery stores and walkable streets These same neighborhoods may have characteristics such as heavy traffic or other unsafe conditions that discourage people from walking or being physically active outdoors The combination of unhealthy social and environmental risk factors including limited access to healthy foods and opportunities for physical activity can contribute to increased levels of chronic stress among community members which have been linked to increased levels of sedentary activity and increased calorie consumption Creating Equal Opportunities for a Healthy Weight focuses on the key obesity prevention goals and recommendations outlined in Accelerating Progress in Obesity Prevention through the lens of health equity This report explores critical aspects of obesity prevention while discussing potential future research policy and action that could lead to equity in opportunities to achieve a healthy weight

The Internet Newsroom ,1995 Your guide to the world of electronic factgathering

Going Broke Stuart Vyse,2018-08-01 Over the last four decades debt bankruptcy and home foreclosures have risen to epidemic levels and the personal savings rate has sunk dangerously low Why in the richest nation on earth can t Americans hold on to their money First published in 2008 Stuart Vyse s *Going Broke* described the epidemic of personal debt that existed in the years leading up to the Great Recession and anticipated the home mortgage crisis that started it Ten years later a fully updated new edition tackles the post recession era of economic recovery Today total household debt has actually surpassed pre recession levels and some of the same problems that preceded the crash are back again But the shape of our troubles has changed the new face of financial failure features auto repossession bankruptcy eviction wage garnishment and being sued for unpaid bills Vyse offers a unique psychological perspective on the financial behavior of the many Americans today who find they cannot make ends meet illuminating these and other causes of our wildly self destructive spending habits But he doesn t entirely blame the victim arguing instead that the mountain of debt burying so many of us is the inevitable byproduct of America s turbo charged economy together with social and technological trends that undermine our self control This new edition illuminates everything from the rise of the credit card and ballooning student loan debt to the expansion of new shopping opportunities provided by social media revealing how vast changes in American society over the last 40 years have greatly complicated our relationship with money Vyse concludes with both personal advice for the individual who wants to achieve greater financial stability and with pointed recommendations for economic and social change that will help promote the financial health of all Americans

AI in the Wild Peter Dauvergne,2020-09-15 Examining the potential benefits and risks of using artificial intelligence to advance global sustainability Drones with night vision are tracking elephant and rhino poachers in African wildlife parks and sanctuaries smart submersibles are saving coral from carnivorous

starfish on Australia's Great Barrier Reef recycled cell phones alert Brazilian forest rangers to the sound of illegal logging The tools of artificial intelligence are being increasingly deployed in the battle for global sustainability And yet warns Peter Dauvergne we should be cautious in declaring AI the planet's savior In AI in the Wild Dauvergne avoids the AI industry powered hype and offers a critical view exploring both the potential benefits and risks of using artificial intelligence to advance global sustainability Dauvergne finds that corporations and states often use AI in ways that are antithetical to sustainability The competition to profit from AI is entrenching technocratic management revving up resource extraction and turbocharging consumption as consumers buy new smart devices and discard their old less smart ones Smart technology is helping farmers grow crops more efficiently but also empowering the agrifood industry Moreover states are weaponizing AI to control citizens suppress dissent and aim cyberattacks at rival states Is there a way to harness the power of AI for environmental and social good Dauvergne argues for precaution and humility as guiding principles in the deployment of AI

101 Ways to Promote Your Web Site Susan Sweeney, 2002 The author presents a comprehensive hands on step by step guide for increasing Web site traffic by using hundreds of proven tips tools and techniques Her advice will help readers attract more of their targeted customers to their Website and optimize the Web site from a marketing perspective

Management Fundamentals Robert N. Lussier, 2020-01-07 Packed with experiential exercises self assessments and group activities the Ninth Edition of Management Fundamentals develops essential management skills students can use in their personal and professional lives
