Lead a Church to Reach People and Grow Robert A. Young, 2009-05 This book presents a unique approach to church growth. It is written mainly to help churches that are declining but will help all churches. The underlying premise is that churches do not grow and reach new people because they do not know how or because they are so poorly structured and organized that they spend most of their time and efforts in conflict. This disrupts the fellowship and leaves very little time and energy for reaching new people. The subtitle could be *Fifteen Essential Steps To Growth*. Basic growth and administrative principles. The combining of these areas makes this a unique book. Young has brought together these basic elements from over 40 years of experience. The book is a practical guide for a local church to follow to function efficiently and effectively and reach people for Christ. When the steps are followed and in the proper order the church can pretty well be assured of growth and effective ministry. Dr Robert A Young is currently President of Samuelite Corp Church Outreach and Consulting. He served as Associate Pastor Administration of Walnut Street Baptist Church Louisville KY and Park Cities Baptist Church Dallas TX and President of the National Association of Church Business Administration. He has conducted Total Church Consultations and Capital Fund Campaigns for churches of all sizes and denominations. He is now available to serve churches as a consultant in these areas. He is also the author of *The Development of A Church Manual of Administrative Policies* *The Congregationalist*

, 1929 **Witness to the Truth** John Henry Scott, 2023-02-08 The inspirational saga of one man's fight for civil rights for African Americans in Louisiana. *Witness to the Truth* tells the extraordinary life story of a grassroots human rights leader and his courageous campaign to win the right to vote for the African Americans of Lake Providence, Louisiana. Born in 1901 in a small, almost all-black parish, John H. Scott grew up in a community where black businesses, schools, and neighborhoods thrived in isolation from the white population. The settlement appeared self-sufficient and independent, but all was not as it seemed. From Reconstruction until the 1960s, African Americans still were not allowed to register and vote. Scott, a minister and farmer, proceeded to redress this inequality, ultimately convincing Attorney General Robert Kennedy to participate in his crusade. Scott led a twenty-five year struggle that graphically illustrates how persistent efforts by local citizens translated into a national movement. Told in Scott's own words, *Witness to the Truth* recounts the complex tyranny of southern race relations in Louisiana. Raised by grandparents who lived during slavery, Scott grew up learning about the horrors of that institution and he himself experienced the injustices of Jim Crow laws. Without bitterness or anger, he chronicles almost one hundred years of life in the parish, including migrations between the two world wars, the displacement of African American farmers during the New Deal, and the shocking methods white southerners used to keep African Americans under economic domination and away from the polls. Chapter president of the National Association for the Advancement of Colored People for more than thirty years and a recipient of the A. P. Tureaud Citizens Award, Scott embodied the persistence, strength, and raw courage required of African American leaders in the rural South, particularly in the 1950s and 1960s. His story illustrates the contributions of local NAACP leaders in advancing the human rights movement. Cleo Scott Brown, Scott's daughter, draws on

oral history interviews with her father conducted by historian Joseph Logsdon as the basis for the book She also uses personal papers court transcripts records of the East Carroll chapter of the NAACP interviews with other East Carroll residents family recollections and her own conversations with her father to complete the biography A Song for You (Part 2) Angela N. Mata, The saga continues as Sarah steps into a new era finding herself in a suburb of the San Francisco Bay Area She fights to stay afloat in the fashion industry while raising a young son born in solitude his existence unknown to Joshua her surreptitious lover Still reeling from the breakup Joshua remains estranged from the family for over seven years as quiet suspicions grow about whether he is truly Evan s father Meanwhile Sarah s former lover Garrett is still on the scene complicating matters even further **The Christian Advocate** ,1927 *Annual Report of the Missionary Society of the Methodist Episcopal Church* Methodist Episcopal Church.
