life was not much different than the boys his age in the 1950 s until he got sick He would question God never understanding his lot in life That questioning would culminate at the age of 20 in the middle of a blizzard when Miguel asked God to kill him His hope was to ask God face to face why he was having seizures and why a young man who did all he could kept getting sick Forty dollars would appear out of nowhere in the bushes next to him during the conversation Miguel sorely needed that money to pay for his medication that same evening Miguel understood immediately that God is not only real but that He is listening and is a God of reason and compassion This is the true story of Miguel s life before and after the night of the blizzard It tells of how Miguel would accept the reality of God and the answers to prayer he soon began receiving on a consistent basis The intention of this book is to encourage both believers and nonbelievers to a closer walk with their Creator Jesus Christ and to remind them that God does answer prayer This book was born out of the author s promise to God to write of the miracles he would live The author truly hopes to encourage someone to believe of the daily existence of an almighty God

Coincidence or God? Charlotte Huskey,2023-01-25 Coincidence Or God You Decide is a collection of episodes the author s family and friends experienced These stories take place in Mexico as well as the United States In each story you will find a fascinating and sometimes life threatening situation such as a nine passenger six door Excursion traveling sixty miles an hour on the icy Arkansas River Bridge railing in Tulsa Oklahoma Read what happened to the nine fathers in this vehicle Decide for yourself if God or luck was with them Then there is the girl whose foot was mangled in a packing plant accident or the family who was marvelously saved when the train bridge over the San Rafael River collapsed and the center portion of the train they had been in fell into the river In this book you will meet a man who gave his home to a poor family and a little boy who lost his father s best knife in a lake His mother prayed and moments later the boy s brother caught a fish with the knife in its mouth Did that just happen You decide In the days before cell phones see what happened to a fifteen year old boy stranded at Love s Truck Stop in Gallup New Mexico 700 miles from home You will live through a tornado with the Hightower family in Neosho Missouri and shiver with Dofia Margarita sitting on her house top during a long night You will bake with the Children s Christmas Project and learn how much they earned for the Huruma Orphanage in Kenya Africa and

shout when a man gives Charlotte 500 for a basket of homemade bread While swimming on the Baja California coast you will struggle with Tim against a strong undercurrent that was dragging him out into the Pacific Ocean Will Tim see his family again Were the persons in danger accidentally saved or did the power and love of God assist them The author wants you to decide Both blessings and difficulties will swirl around us as we walk through life Romans 8 28 says We know that all things work together for good to them that love God to them who are called according to His purpose Psalms 139 17 How precious are thy thoughts toward unto me O God If I should count them they would be more in number than the sand **Newsletter** University of Michigan Computing Center,1983 **The Making of a New Creature** Janie Jordan,2020-12-04 Annie Jenkins is truly a woman of God a congregant who impresses even her church leaders with her biblical knowledge Despite her solid foundation in the Word of God Annie s heart is troubled her husband Ken is going the way of the world and refuses to go to church with his wife As they mold their two young children together Annie wonders if she can stay with an unsaved man When Ken disappears their entire household is at risk of falling apart Can Annie hold on while God works to answer her prayers to save Ken Inspired by true events The Making of a New Creature is a spiritual novel of love and tribulation and an inspiring tale of hope faith and change Set around the United States in the mid twentieth century this book harkens back to a simpler time of hanging the clothes out to dry and visiting with neighbors to share the glory of God With vivid dialogue and a realistic depiction of a conflicted believer the debut novel from Janie Jordan will encourage those around the world struggling in relationships with nonbelievers **More for Mom** Kristin Funston,2019-04-02 Moms are constantly giving Giving their time energy and emotions to their job their kids their spouse their community But now it is time for moms to start to receive More for Mom will encourage women to stop believing the lie that more is needed from them and start living with the truth that more is available for them With real life talk humor and convicting biblical truths Kristin Funston helps work hard mamas to look at each day and each facet of their life to discover what happens when they believe God has more for them than what they think the world needs from them And what He has available is a whole and holy life just waiting to be claimed a salvation and day to day reality complete and set apart just as it is The pieces of each mom s life the work life mom life social life etc are mended together through Christ to complete her one whole life set apart because of Him This book is a stepping stone to help working mothers reset their spiritual and emotional health habits and relationship with God There are performance pressures at work home and mind sets that affect a mom s ability to feel complete and live more closely aligned with God This book includes the beginning steps for moms to walk in wholeness and holiness by asking God for more
