**L'interpr tation des trait s d'apr s la Convention de Vienne sur le droit des trait s**,1978-02-14 Introduction to the Mystery of the Church Benoit-Dominique de La Soujeole, OP,2014 Introduction to the Mystery of the Church is an ecclesiological survey presenting a doctrinal synthesis of the Church The author s intention is to propose an overview of this mystery in connection with the entirety of the Christian mystery The book is divided into two major parts the first presenting the foundations in the Bible and the tradition up to our day and the second being an explanatory proposal introducing the reader to the Church s definition and personality and concluding with an exposition of the four properties enunciated in the Creed one holy catholic and apostolic The value of this way of proceeding is first and foremost in the proposal of a synthesis that allows one to situate each question in its rightful place such study being oriented toward a better overall grasp of the subject As the title suggests the book is an introduction that should allow the reader to apprehend the mystery in its internal coherence in order subsequently with the aid of other texts to be able to enter more deeply into the study of one or other specific point While this ecclesiology treatise is written from a Catholic point of view an ecumenical perspective is often present either through the presentation of divergent views from other Christian confessions or through the proposal for a theological convergence Faithful to the Future Brother Emile of Taiz ,2013-11-21 Faithful to the Future examines the true nature of Christian Tradition and particularly how it implies a fidelity not only to the past but to the future as well tradition appears to be inseparable from creativity and reform Congar s sense of the future and his conviction that something very important is happening in history led him to re emphasize forgotten dimensions of Christian tradition especially those that value the human person When Congar reflected on Church authority and how it is best exercised he was not thinking about a power that curtails freedom Seeking to rediscover what is specific to Christianity he described authority as a reality that is at the service of growth where paying attention to the unknown and the unexpected is

of the utmost importance Congar was one of the greatest artisans of Vatican II and his writings are characterized by the urgent call for the reforms made necessary by a changing world and by an understanding of catholicity a sense of the Church that is not sectarian but that lives and thinks according to the whole This volume explores the four themes that are prominent in Congar s writings namely tradition reform catholicity and authority The book does not assume a detailed knowledge of Congar s writings but addresses a difficulty that is frequently encountered in the present time no one better than Yves Congar has shown that the Church is not a system

### **Yves Congar's Vision of the Church in a World of Unbelief**

Gabriel Flynn,2017-03-02 Yves Congar 1904 1995 was one of the chief architects of a remarkable renewal in Roman Catholic ecclesiology in the twentieth century His vision for ecclesial renewal led to a profound transformation of the Roman Catholic Church its relationship with other churches and the world This book considers the contribution made by Congar to that transformation Situating Congar s ecclesiology in the context of his whole theology the book presents for the first time a comprehensive study of two related aspects of Congar s thought unbelief and the notion of total ecclesiology Dr Flynn shows how unbelief provides the common inspiration for Congar s thought on the Church and constitutes the *raison d'etre* for his entire programme of ecclesial reform at the Second Vatican Council This study demonstrates how Congar s total ecclesiology contributes to the restoration of unity and helps to redress unbelief Congar s vision for the future and his programme for ecclesial renewal centering on a church committed both to the preservation of its heritage and an openness to true reform is shown to be still pertinent to the churches in the third millennium a point accented by Pierre Marie Gy OP in his Preface to the work

Francesco Nobili-Vitelleschi (march.),1876 La "question féminine" et l'Église catholique Alice Dermience,2008 L'émancipation féminine est sans conteste une révolution culturelle qui a profondément marqué la société occidentale au 20e siècle sans pour autant perturber les mentalités et toutes les cultures du monde L'Église catholique ne pouvait ignorer une réalité qui pose question sa hiérarchie et ses membres une Question aux multiples paramètres Dans le contexte nouveau que représente notre poque comment le Magistère romain a-t-il tenté de répondre tant en théorie qu'en pratique Lui est-il possible de legitimiser les revendications féminines tout en restant fidèle à la manière dynamique au christianisme des origines et la Tradition De leur côté comment les femmes chrétiennes ont-elles réagi face des mutations et des prises de position qui les affectent au plus intime de leur existence et conditionnent même leur foi au Dieu de Jésus Christ C'est cette Question dont la portée est minument ecclésiale théologique mais aussi sociale que ce livre va tenter de cerner en remontant au passé pour mieux la situer dans le contexte d'aujourd'hui Sans prétendre bien sûr l'exhaustivité cet essai n'a d'autre ambition que de projeter un clairage pluridisciplinaire sur un problème trop souvent abordé dans l'opinion de manière simpliste unilatérale et dès lors massivement politique

Beal, 2014-10 Congar coined the term total ecclesiology in his ground breaking outline for a theology of the laity A Way towards a Theology of the Laity In Mystery of the Church People of God Rose M Beal argues that total ecclesiology is the necessary and appropriate lens for a comprehensive interpretation of Congar s ecclesiological project prior to the Second Vatican Council 1962 1965 Beal works from Congar s published works from 1931 to 1954 as well as from unpublished texts from the same time period to integrate and propose a comprehensive interpretation of his ecclesiological purposes and methods     La question sociale hier et aujourd'hui Jean Richard,Louis O'Neill,Université Laval,1993     **Ces questions qui remuent les croyants** Jean Rigal,2017-04-15 Face l volution extr mement rapide de nos soci t s non seulement il n est pas possible d en rester au cat chisme de son enfance mais il faut affronter des questions fort d capantes pour ceux qui croient Que dire d un Dieu cr ateur au moment o les d couvertes scientifiques sur l volution du cosmos ont de quoi donner le vertige Comment s y reconna tre une poque o tout se dit et se montre puissamment orchestr par une profusion m diatique Notre monde est largement indiff rent la question de Dieu Nombre de nos contemporains ne sont pas contre Dieu mais ils sont d une certaine fa on sans Dieu ce qui ne les emp che pas de s interroger sur le sens de leur vie Sans exclusive Jean Rigal propose de mettre en commun ces interrogations et recherches qui sont les n tres pour mieux avancer dans la qu te balbutiante de la foi chr tienne     **True Reform** Massimo Fagioli,2012-09-01 For Massimo Fagioli the debate about the meaning of Vatican II too often misses the profound significance of that council s first and perhaps most consequential document *Sacrosanctum Concilium* The result is a misunderstanding of both the council as a whole and the liturgical reform that followed from it In *True Reform* Fagioli takes *Sacrosanctum Concilium* as a hermeneutical key to the council He offers a thorough reflection on the relationship between the liturgical constitution and the whole achievement of Vatican II and argues that the interconnections between the two must emerge if we want to understand the impact of the council on global Catholicism
