**Tales of the Endless Mountains** Adell Farley Harvey, 2011-06-07 A young professional family from the Midwest follows God's call to minister in a poverty pocket in northern Appalachia where their expectations run headlong into the reality of mountain culture Quirky characters outhouses horning parties cow riding quilting bees maple sugarin they all become part of the fascinating daily life of the Farleys as they work to rebuild a struggling church in a quaint hamlet of Riggs Pennsylvania Nothing thrills me more than stories of God working in big ways in small places This is why Tales of the Endless Mountains is such a treasure Every page contains riveting adventure humor and wisdom all proclaiming God's amazing grace and power It almost reads like a fictional account How could real life in a country church be so dramatic Woven into the tales you will find boat loads of encouragement challenges to enlarge your faith and superb ministry insights in fact more and better advice than many books written expressly for that purpose which qualifies it for a ministry primer And I am pleased that it all happened during the Farleys years of exemplary service with RHMA Dr Ron Klassen Executive Director Rural Home Missionary Association The Living Church, 1958 Vacation Bible School Doris Freese, 1977 **It Worked For Us** Judy Comstock, 2011-12-01 Need help from someone who has actually been there and done that This comprehensive guide provides the all the information you need to plan and implement a complete ministry with children of all ages Produced in partnership with the International Network of Children's Ministry this guide features numerous articles written by experienced children's workers The enclosed CD ROM makes it easy to access and customize forms This one source guide covers multiple topics from safety concerns and technology to spiritual formation Ideal for children's pastors educators and leaders whether paid or volunteer **The Alliance Weekly**, 1956 **The ABC's of VBS** Eleanor Ann Daniel, 1994 **VBS** Dewald van Rensburg, 2020-10-01 Originally the Venda Building Society VBS Mutual Bank was a small little known lender in Limpopo before it rocketed from obscurity in 2016 by giving President Jacob Zuma a controversial home loan to repay the state for improvements to his Nkandla homestead The bank was growing rapidly and sold itself as a fearless champion of black advancement Its main shareholder Vele Investments was on a meteoric trajectory towards becoming a financial conglomerate worthy of national attention When the bank abruptly went into curatorship in March 2018 no one had any reason to doubt that it was just another unfortunate corporate failure Then the astonishing truth emerged the collapse of VBS was due to an epic R2 billion fraud that had created Vele's empire out of thin air and left the bank a hollow shell VBS A Dream Defrauded unravels the fraud exploring how suspected mastermind Tshifhiwa Matodzi and his associates first took control of VBS fed ANC patronage networks and operated under a nationalist mantle endorsed by Venda royalty The book explains how the bank and its shareholder Vele were seemingly built into a multibillion rand business exposes the political machinations that guaranteed VBS up to R3.5 billion in unlawful funding from municipalities and other state institutions and describes the free for all that ensued after the bank's collapse when all involved tried to cover their tracks Written by one of

the journalists who first broke the story this book draws on interviews with VBS insiders and other role players as well as documents and detailed forensic evidence collected in the course of two years of investigations This is a compelling account of a bank heist whose shockwaves continue to haunt the politicians businessmen and traditional leaders who enabled it

*Rebuilding The Kingdom* Robert Barr, 2012-04-22 As I have studied the history of the church I have found that the church has gone through periods of success and failure in carrying out its mission to reach the lost and make disciples I have found that the periods of success have had several things in common as have the periods of failure I have tried to compile those things that have helped build the church down through history and which I have found successful in my own ministry in order to help pastors and church leaders build more successful churches
