*The Holy Spirit, or, Power from on high* A.B. Simpson,2007 The Holy Spirit or Power from on high an unfolding of the doctrine of the Holy Spirit in the Old and New Testaments Part II The New Testament      Holy Murder Charles Kelly,Birney Hoffman,2019-11-22 Holy Murder first published in 1934 is a fascinating controversial look at the Avenging Angel of the Mormon Church Porter Rockwell The authors trace the violent history of the Mormon Church beginning with its origins in New York and Illinois to the flight of its members and their settlement near the Great Salt Lake Citing numerous sources and interviewing witnesses and descendants the exploits of Rockwell are detailed to form a picture of a man on the one hand kind to children and his friends while on the other capable of the most grisly murders of perceived enemies of the church Although open to criticism

for its anti Mormon bias attempting to accurately portray Rockwell is difficult as he did not keep a personal diary and many of his activities were shrouded in secrecy Included are 12 pages of illustrations *Holy Humanitarians* Heather D. Curtis,2018-04-16 On May 10 1900 an enthusiastic Brooklyn crowd bid farewell to the Quito The ship sailed for famine stricken Bombay carrying both tangible relief thousands of tons of corn and seeds and a tender message of love and sympathy from God s children on this side of the globe to those on the other The Quito may never have gotten under way without support from the era s most influential religious newspaper the Christian Herald which urged its American readers to alleviate poverty and suffering abroad and at home In *Holy Humanitarians* Heather D Curtis argues that evangelical media campaigns transformed how Americans responded to domestic crises and foreign disasters during a pivotal period for the nation Through graphic reporting and the emerging medium of photography evangelical publishers fostered a tremendously popular movement of faith based aid that rivaled the achievements of competing agencies like the American Red Cross By maintaining that the United States was divinely ordained to help the world s oppressed and needy the Christian Herald linked humanitarian assistance with American nationalism at a time when the country was stepping onto the global stage Social reform missionary activity disaster relief and economic and military expansion could all be understood as integral features of Christian charity Drawing on rigorous archival research Curtis lays bare the theological motivations social forces cultural assumptions business calculations and political dynamics that shaped America s ambivalent embrace of evangelical philanthropy In the process she uncovers the seeds of today s heated debates over the politics of poverty relief and international aid

**Holy Ouch!** Nathan B. Werner,2010-03 How can God allow such a terrible thing Why does a good God allow pain and suffering The question of suffering in our world has been of perennial interest There have been many intellectual efforts at addressing this knotty problem but few have satisfied The problem of evil strikes close to home for everyone but there have been few fulfilling answers Some cannot reconcile evil in a world made by a loving God In the normal course of life people get bombarded by horrid events in the world and to themselves In Heaven's Sake Nathan Werner explores the concept of a good God allowing pain and suffering in our personal lives and the public domain He proposes that two apparent contradictions the presence of pain and the goodness of God are not incompatible Through a philosophical look at scripture and philosophy Nathan shows that in fact a loving God will use pain to our benefit God is good he is omnipotent he is caring about our condition and he uses trying circumstances to make us stronger How God does this is the challenge Nathan addresses and plumbs new depths of understanding as to the purpose of pain Nathan Werner's home church is Grace Church of Eden Prairie Minnesota where he has taught for many years He is married with five grown children one who is with the Lord through tragedy He is also a grandfather to three boys He has been employed by the United States Postal Service for close to thirty years
