If for any reason you are unable to adhere to an interview given to you, please do not forget to send an apology letter to the party concerned. It is not only considered a good practice to make an apology to the interviewer, but a requirement and stated policy of BCSC in the Ethical Framework guidelines you have agreed to in order to participate in our services. Please be thoughtful of the employer's time offered and remember that it is important to be considerate.

Dear Sir/Madam,

First Paragraph: Apologize for missing the interview or meeting. Include the date, time, and location (University of Kansas) of the missed interview. You can include the reason for missing the interview but you do not have to go into much detail. Please take responsibility for your actions and do not blame other entities. Acknowledging your mistakes will earn you more respect in the future.

Second Paragraph:

If you do not wish to pursue an interview with the employer, conclude with thanks for his or her time and consideration. You may or may not want to add that you have accepted other employment, that you are pursuing a different line of work, that you hope to relocate to another area, or some other reason that you may have for not seeking an interview.

If you are still interested in meeting with this employer at another time, indicate your willingness to schedule another meeting. Indicate that you have enclosed another copy of your resume. Close by apologizing again for the missed opportunity.

Battistella, 2014-05-01 People do bad things. They misspeak, mislead, and misbehave. They lie, cheat, steal, and kill. Often afterward, they apologize. But what makes a successful apology? Why does Joe Biden's 2007 apology for referring to Barack Obama as articulate and bright succeed, whereas Mel Gibson's 2006 apology for his anti-Semitic tirade fails? Naturally, the effectiveness of an apology depends on the language used, as well as the conditions under which we offer our regrets. In *Sorry About That*, linguist Edwin Battistella analyzes the public apologies of presidents, politicians, entertainers, and businessmen, situating the apology within American popular culture. Battistella offers the fascinating stories behind these apologies alongside his own analysis of the language used in each. He uses these examples to demonstrate the ways in which language creates sincere or insincere apologies, why we choose to apologize or don't, and how our efforts to say we are sorry succeed or fail. Each chapter expands on a central concept or distinction that explains part of the apology process. Battistella covers over fifty memorable apologies from McDonald's, Martha Stewart, Oprah Winfrey, Jane Fonda, Bill Clinton, and many more. Moving back and forth between examples and concepts, Battistella connects actual apologies with the broader social

ethical and linguistic principles behind them Readers will come away from the book better consumers of apologies and better apologizers as well **Labour Contracts and Labour Relations in Early Modern Central Japan** Mary Louise
