The Media-Savvy Middle School Classroom Susan Brooks-Young, 2020-10-19 The Media Savvy Middle School Classroom is a practical guide for teachers of Grades 5-8 who want to help their students achieve mastery of media literacy skills. Today's fake news, alternative facts, and digital manipulations are compromising the critical thinking and well-being of middle-grade learners already going through significant personal changes. This actionable book prepares teachers to help their students become informed consumers of online resources. Spanning correct source use, personal versus expert opinions, deliberate disinformation, social media, and more, these ready-to-use activities can be integrated directly into existing language arts and mathematics lesson plans.

Middle School General Music Elizabeth Ann McAnally, 2016-04-06 Create a viable, meaningful program that will motivate your students and have them participating with enthusiasm with Middle School General Music: The Best Part of Your Day. A welcome guidebook for music teachers trying to navigate the sometimes turbulent waters of middle school general music, it offers strategies and lessons that have been created in the real world of general music by a practicing teacher. Revised and expanded to align with the National Core Arts Standards, each section of this second edition is full of tips and lessons to help middle schoolers develop a life-long love of music. From instructional units to composition projects, rhythm games to listening lessons, you'll find plenty of ideas for working with young adolescents. An appendix of suggested resources steers you to materials appropriate for middle-level students. Bolster your program with the discussion about why general music is so vital in middle school. If your music classes feel like the perfect storm, let McAnally make them the best part of your day.

Classrooms Without Borders James A. Bellanca, Terry Stirling, 2015-04-17 This practical resource shows educators how to use the Internet to help students communicate electronically, reaching beyond the borders of traditional classroom walls. The authors, a lifelong professional developer and a dedicated facilitator of improved K-12 education through her work with graduate students in school leadership, provide the how-to for teaching essential foundation elements including teamwork, Internet research, evaluation of information sources, cross-cultural communication, and thinking skills.
