Dear Dr. Billings,

I am writing to inform you of my recommendation of Bethany Student for your PGY1 pharmacy practice residency. I had the pleasure of getting to know Bethany as her Internal Medicine preceptor over the past 2 months. Throughout that time, she demonstrated a number of important attributes that are vital to becoming a successful pharmacy resident.

While completing daily case presentations, Bethany routinely performed at a level well above her current experience. More importantly, however, she constantly strove to improve this knowledge base, working on her own time to study relevant material. Later, during one-on-one medication education rounds and large-group warfarin education sessions, she displayed strong communication skills, translating complex medical issues into language the patients could easily understand. Her interactions with patients were always professional, yet warm and friendly. During daily topic discussions she was an active participant and demonstrated an eagerness to learn advanced materials not yet covered in the curriculum. Lastly, for her final presentation, Bethany evaluated the billing and renal dosing procedures of our Catheterization Lab. Throughout the data collection and evaluation, she required little to no guidance from pharmacy staff, and the results of the project significantly impacted both patient care and the budget at our facility.

As the coadvisor to the Student Society of Health-System Pharmacists (SSHP), I have also had the chance to work closely with Bethany as this new student-pharmacist organization is built from the ground upward. She has played an integral role in the group as an active member, executive committee member, and, most recently, secretary. With the help of the other executive committee members, Bethany has expanded leadership opportunities via the addition of task forces that allow other pharmacy students to get more involved, identified qualified presenters for the speaker's series, and shaped the future course of SSHP. Despite the significant workload involved in developing a new organization, Bethany also has assumed leadership positions in the Academy of Student Pharmacists and Lambda Sigma, among other on-campus organizations.

To simply describe Bethany's involvement in these organizations by the titles she has received, however, would not accurately reflect the degree of her involvement. She has truly excelled in her ability to bring disparate groups together to organize brand new joint events, such as the Annual Golf Outing, the Pharmacy Quiz Bowl, and many other successful events. I was very impressed by her ability to both delegate responsibilities effectively to her peers and simultaneously be unafraid to jump in and accomplish what is necessary to have a successful function.

In addition to the attributes listed above, Bethany has simply been a joy to work with. She is easygoing, enthusiastic, knowledgeable, and works extremely well with her colleagues and preceptors. Had she stayed in this area, I can assure you that I would be actively recruiting her for my own residency program. If you require any additional information, please do not hesitate to contact me.

Sincerely,

John Smith, PharmD, BCPS
