Dear _____,

We wanted to let you know that we are planning on beginning transitioning _____ on _____, 2023. As children gain new skill and age, we work to place them with their peers in an age appropriate classroom. Transitions are a part of everyday life, but some can be easier or harder for your child. Our goal is to make the transition from one class to another as smooth as possible. Drop off and pick up will change with this transition. _____ will move over to _____. This room is in the next building, room adjacent to the _____.

You can continue to expect the same individualized care and education that you are now receiving. The ratios of adults to children and group size, in their new classroom may be a little different especially as children become more independent and learn to do more for themselves. Your child's learning experiences will be age appropriate to aid in promoting their continued blossoming independence and social/emotional skills. Some physical changes may accompany their transition to the new room. Rest time, outside playtime and large group time will continue.

As with any transitions, the more communication you have with your child, the present teacher (Teacher _____) prior to the transition to the new class, the better and smoother this transition will be for all. Please let _____ in the office know if you would like to schedule a meet and greet with the new teachers. If you have any question or concerns please call or schedule a time to meet with any of the leadership team to talk about the next steps in transition.

Sincerely,

Leadership Team
