RE: The Gardens at Willow Creek - Passmore

Dear Ms. Schaaf-Olson:

Thank you for your October 11, 2019 letter. Your general understanding of the Association's position is correct. However, the Board expects the Passmores to be in compliance with the Association's age restrictions by June 30, 2020. In other words, they expect that the Passmores will have made alternative living arrangements for Collin by that date. I would also like to take this opportunity to clarify the Association's intent with regard to Collin's use of common area. The Association's intent was simply that Collin be accompanied by Mr. or Mrs. Passmore when utilizing the recreational amenities, i.e. pool, clubhouse, etc., the same as any guest who would use these facilities. The Association's intent was not to require a chaperone everywhere Collin goes or to prevent him from "walking to and from the mailbox" as the Passmores have previously suggested.

As I have previously indicated, the Board is sympathetic to the Passmores' situation. All of the Board members understand that these are difficult circumstances. However, the entire reason for the community's existence as an age restricted community is to allow for deed restrictions that restrict children from residing in the community. The Housing for Older Persons Act allows for the operation of such deed restrictions, and the Association is not acting outside of the scope of this law.

The Board must balance the interests of all parties involved, not just the Passmores, but all of the other residents who purchased property in an age restricted community expecting the age restrictions to be followed. While some Association members have expressed support for Collin's residency, others have not, and have indicated to the Board that they expect the age restrictions to be enforced and that they may take action to see that the age restrictions are enforced if the Board allows Collin to reside in the community for an extended period of time.
