To further explain how to write a character sketch, here is an example of the character sketch of Anne Frank, the youthful writer of the famed "The Diary of a Young Girl":

Anne, the author of the diary, is a thirteen-year-old feisty girl who is more confident in writing down her thoughts in her diary than sharing them with people. While being quite close to her father, she shares an emotionally distant relationship with her mother. Throughout the diary, she grows from an innocent, stubborn, and somewhat spiteful girl to a more politically conscious, self-aware, and introspective girl of 15 years. She tries to keep an optimistic attitude even in the concentration camp she is moved to, where she dies before reaching the age of sixteen. Anne was a strong-willed and spirited girl, who struggled to keep her optimism alive even in the face of grave fear and danger.
