

FALL on your  
knees  
and Pray.  
Jesus  
never  
LEAVES  
you!

FALL-ing for  
Jesus

**1 Thessalonians 5:17-Pray without ceasing.**

### Prayer Lesson

Jesus said that we are suppose to pray. In Matthew 6:9-13 it says, "After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. Thy Kingdom come. Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts as we forgive our debtors. And lead us not into temptation but deliver us from evil. For thine is the kingdom and the power and the glory for ever amen.

Praying is very important. We should pray and talk to Jesus everyday. Be his friend and tell him what is going on in your life. He loves you. He will help you with anything. Make sure you ask him to forgive you of your sins. He will forgive you. Pray and tell him everything on your mind. He is listening to you. He is watching everything you do. Jesus loves prayer!

## Sample Sunday School Lessons For Haiti:

**Roots of Haiti's Vodou-Christian Faith** R. Murray Thomas, 2014-06-19 This book traces the development of Haiti's combined Vodou Christian religion from 1500 to the present and explains how this combination of distinct faiths coalesces in a coherent belief system. What are the historical reasons for the popularity of two contradictory worldviews in Haiti: Vodou and Catholicism? What elements of Vodou and Catholicism are alike and how are they drastically different? What is the connection between indigenous African religions and Vodou? And why has religion in Haiti evidenced an accelerating rate of change in recent decades? *Roots of Haiti's Vodou-Christian Faith: African and Catholic Origins* answers these questions and more in its examination of the highly unique and often misunderstood religious practices in Haiti. Reaching back half a millennium to the European conquest of the island of Haiti, author R. Murray Thomas inspects the origins and nature of these two competing and complementary religious traditions: the traditional African faiths brought by the slaves who were imported to Haiti to labor in the fields and mines, and the Catholicism promoted often violently by Spanish and French colonial authorities. Following a historical background, the subsequent chapters focus on the organization of Haitian religion: spirits, creation, belief, causes, and ceremonies; maxims and tales; symbols and sacred objects; sacred sites; religious societies; and the future of the Vodou-Christian faith.

**In My Haitian State of Mind** Jean E. Pierre, 2010-05-18 *In My Haitian State of Mind* speaks of the fight for a better Haiti. It reveals the crippling issues of this country where readers will come to agree that the broken education system, extreme poverty, and the broken government system will have to be addressed before any improvement can be done.

*Matchsticks Contemplating Eternity* Gregory W. Brown, 2022-01-20 These essays invite the reader to join the author's quest for meaning and wonder in the natural world. After the journey out of evangelical fundamentalism recorded in *Unified Field Theology*, the journey continues. Through years with more darkness than anticipated, the light shines through. And darkness turns out to be the best place for discerning faint and distant lights. The natural forces studied in the search for the unified theory reveal that the creative sustaining power of the universe is real and observable through science. Humility and wonder are found responding to the size of the cosmos. The strangeness of the quanta invites us to mystery and things beyond rational comprehension, accompanied by the assurance that our most basic level is as eternal as the universe. Significance appears in caring for each other, a trait which is now found in both the animal and plant world as well. Returning to traditional sources of faith, the Bible remains an amazing library of voices revealing one people's evolution of understanding of the ultimate. Like practices of other cultures, it invites us to be still and know: Life is indeed good. We are here together choosing how we respond to a very real God.

**Geographies of the Haitian Diaspora** Regine O. Jackson, 2011-06-27 This book considers the full sweep of Haitian community invention and recreation in a multitude of national territories with an eye

toward the place factors that shape the everyday lives of Haitian migrants Regine O Jackson brings together an interdisciplinary group of scholars to explore how Haitian communities differ across time and place as well as how migrants adjust to new economic political and racial realities The volume includes descriptive ethnographies of Haitians in 19th century Jamaica eastern Cuba Detroit the Dominican Republic Guadeloupe Paris and Boston and innovative scholarly work on non geographic sites of Haitian community building The most important question addressed here is not whether the places described represent typical or exceptional Haitian diasporic communities but how why and to what effect do Haitians in particular places use diaspora as a signifier By examining the diversity and sameness of the Haitian experience in diaspora Geographies of the Haitian Diaspora asks how we might situate community in view of increased scholarly attention to transnational processes

**The Religious Herald**, 1922 **The National Cyclopedia of the Colored Race** Clement Richardson, 1919 The

Missionary Herald ,1853      Dialysis Under Grace Eneck Leger,2013-05 Eneck Leger spent most of his formative years in Haiti with an abusive father trying desperately to overcome a learning disability and get an education Finally after years of political unrest and financial hardships Eneck immigrated to New York with the hope of a better life as his only companion Eneck quickly realized that life s troubles were not left behind in Haiti With very little education he struggled to find work When he did he found himself dissatisfied He was diagnosed with diabetes shortly after his arrival and suffered long days of dialysis and miserable symptoms before finally having a kidney transplant Eneck waded the tumultuous waters of a volatile relationship and experienced prejudice in the least likely places With so much stacked against him it would not be a surprise to find him a bitter and angry man But that is not the case Eneck discovered someone soon after his arrival in America who continually feeds his soul and lifts him up in the midst of what seems to be the most difficult of circumstances Find out how his faith and selfless love of others has allowed him to endure and persevere through it all      The Youth's Companion ,1909 Includes songs for solo voice with piano accompaniment      Lutheran Evangelist ,1904      The Crisis in the Churches Robert Wuthnow,1997 At a time when already overworked clergy are being called upon by budget cutting politicians to do more for the poor the sick and the elderly American churches are suffering persistent financial shortfalls Why are American s churches in financial distress Robert Wuthnow a leading commentator on religious life in America asserts that the steady drop in donations volunteering and personal involvement is a direct result of a spiritual crisis a crisis caused in large part by the clergy s failure to address the vital relationships between faith and money work stewardship giving and economic justice In The Crisis in the Churches Wuthnow offers a searching study of this financial crisis and of the spiritual malaise that has silently grown worse during the past decade To do this he lets the churches speak for themselves quoting extensively from interviews with clergy and laity in sixty Protestant and Catholic congregations throughout the U S and drawing from the texts of over 200 sermons from church financial records and a national survey What emerges is that parishioners often feel the church does not care about what they do from Monday to Friday offers no guidance in their most pressing day to day concerns yet always seems to be asking for more money Although the situation is critical Wuthnow finds much cause for hope He points to ideas and programs that some churches have enacted to challenge their members to think differently about work and money and giving Parishioners sometimes respond positively when clergy speak boldly and concretely about matters of faith and finance and some churches have formed small groups whose members meet regularly to discuss issues of spirituality work personal finances and stewardship
