*In God's Good Image* J.W. Buck, 2024-12-03 Cultural identity matters to us and to Jesus Culture is all around us Nothing we think do or say exists outside of it But the story of God is clear We are all made in God s good image and God s people are meant to be a diverse community Looking to the example of Jesus author J W Buck offers practical insights into how cultural identity fits into our walk as Christians No matter where we come from and no matter how complex our cultural narratives the Scriptures point to the One who embodied a particular identity of a Jewish man in first century Palestine in order to shape our own Jesus teaches those formed by majority culture to humbly embrace their identity as they foster space for others And he empowers those from minority cultures to resist pressure to assimilate in unhealthy ways and instead live into their God given identity God dignifies our culture and wants us to shape it to look more like Jesus We are meant to be like Jesus in our home culture in our heart language and throughout our collective journey to understand how our diversity points us to a better expression of God s good image
