

Sample Multiple Choice Questions Remedies - Fall 2011

The following questions have been used on previous Remedies final examinations between 1991 and 2010.

- 1) Some are valid questions and can be used again; some are flawed, but can be revised; some are too difficult or confused, or too simple, and are unlikely to be used again.
- 2) No answers or explanations are provided.
- 3) You should view the questions as raising the type of issues that will be tested in some format on the final examination.
- 4) Some topics and subjects are not covered every semester. In some instances the substantive law has changed over the years.
- 5) Other examples of multiple choice questions can be found on CALI programs or in various review books.
- 6) My questions in classes such as Civil Procedure and Professional Responsibility have been fairly uniform in their format. See examples posted on line for other courses.

In contrast, the questions in Remedies have been far more varied in their format. You will find:

- a) fill in the blank questions;
 - b) questions based specifically on Arkansas cases discussed in class;
 - c) matching questions;
 - d) simple questions, calling for "choose the remedy"
 - e) questions based on Arkansas statutes;
 - f) multi-part questions;
 - g) questions based on the historical development of remedies.
 - h) financial calculations.
- 7) The questions fall generally into five categories:
- | | | |
|----|-------------------|---------------------|
| a) | Equity | (Questions 1 - 99) |
| b) | Damages | (Questions 100-199) |
| c) | Restitution | (Questions 200-299) |
| d) | Substantive Areas | (Questions 300-399) |
| e) | Miscellaneous | (Questions 400-449) |

It addresses a common problem: students understanding the law but struggling to demonstrate that knowledge effectively under exam conditions. The book emphasizes mastering essential skills like issue spotting and the IRAC method (Issue Rule Analysis Conclusion) enabling students to improve legal reasoning and overall exam writing. The book uniquely provides actionable strategies including time management techniques and efficient outline creation crucial for success. This textbook uses real world examples from law school exams incorporating insights from professors and successful students. By blending cognitive psychology principles with effective writing strategies the book provides a holistic approach to exam preparation applicable to both law school and early legal careers. *Exam Strategy Fundamentals* progresses logically starting with foundational concepts like issue spotting and the IRAC method then moves to practical time management and outline strategies and concludes with approaches for tackling common exam variations **A New Agenda for Higher Education** William M. Sullivan, Matthew S. Rosin, 2008-04-04 In *A New Agenda for Higher Education* the authors endorse higher education's utility for enhancing the practical as well as intellectual dimensions of life by developing a third different conception of educational purpose.
