A simple guide to understanding the Bible Let's be honest The Bible is complex It's intricate It can be daunting The first half is confusing aside from the stories you might have learned in Sunday school which are far more disturbing today than when you read them as a kid Then Jesus appears and while it's amazing to read about his birth and teachings and wisdom and miracles it can cause you to wonder why he had to die for you The final pages of the Bible are even more perplexing Suddenly you're reading about visions and beasts and the very end of the world Perhaps this is why many of us find it easier to go to church and just listen to the pastor preach a sermon on the good book rather than tackle it ourselves But if we do this we miss out on so much God has given us the Bible as a how to guide for making the most out of life The Bible should be our lifeline We need to study it as much as we need to breathe This is where The Bible Simplified can help Over the course of eight weeks bestselling author Zach Windahl will show you how all the stories in the Bible tell an interwoven story of God using people to bring his kingdom to the world You will dig into historical context learn about the different genres in the Bible and why they are important and discover proven methods of studying the Bible that will help you not only better understand what it means but also how it can transform your life and deepen your relationship with Christ God is calling you today to follow him And he wants to speak to you through the Bible This study guide includes A guide to best practices for leading a group Individual access to eight streaming video sessions Personal study for deeper reflection between sessions Video notes and comprehensive structure for group discussion time Streaming video access code included Access code subject to expiration after 12/31/2030 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside [Crazy Love](#) Francis Chan,2013-04-01 Revised Updated Edition God is love Crazy relentless all powerful love Have you ever wondered if we're missing it It's crazy if you think about it The God of the universe the Creator of nitrogen and pine needles galaxies and E minor loves us with a radical unconditional self sacrificing love And what is our typical response We go to church sing songs and try not to cuss Whether you've verbalized it yet or not we all know something's wrong Does something deep inside your heart long to break free from the status quo Are you hungry for an authentic faith that addresses the problems of our world with tangible even radical solutions God is calling you to a passionate love relationship with Himself Because the answer to religious complacency isn't working harder at a list of do's and don'ts it's falling in love with God And once you encounter His love as Francis describes it you will never be the same Because when you're wildly in love with someone it changes everything Learn more about Crazy Love at [www.crazylovebook.com](http://www.crazylovebook.com) [So Long, Normal Bible Study Guide plus Streaming Video](#) Laura Story,2021-08-24 Untether from your sense of
