DON PENDLETON'S SAVAGE DEADLOCK A renegade nuclear scientist threatens to destabilize Pakistan

Savage Deadlock Executioner

Don Pendleton

Savage Deadlock Executioner:

Savage Deadlock Don Pendleton,2015-01-01 NO MAN S LAND A missing U S nuclear scientist resurfaces as a member of a guerrilla women s rights organization in Pakistan raising all kinds of alarms in Washington Armed with fissionable material and the knowledge to use it the scientist is soon targeted by rebel fighters determined to get their hands on the nukes at any cost With the stability of the entire region on the line Mack Bolan is tasked with extracting the woman and bringing her Stateside even if she doesn t want to go But as the rebels close in and the rights group realizes its combined weapons and skills can t compare to those of trained fighters Bolan and his allies a handful of Pakistani soldiers and an army officer are forced to join the battle Their team might be small but the Executioner has might on his side Assassin's Tripwire Don Pendleton,2015-04-01 VOLATILE RELATIONS A new era of friendship between the Syrian and U S governments is threatened when American high tech weapons go missing en route overseas Determined to destroy the stolen arms before they can be used Mack Bolan discovers nothing is what it seems between the Syrian regime and the loyalists including the beautiful double agent working with him Getting to the weapons alive is only one of Bolan s problems Tracking down the enemy behind the theft without starting a war will put his years of experience to the test But discretion is of the utmost importance and the lives of millions are at stake which makes the Executioner the only man for this mission

Savage Deadlock Don Pendleton, 2015-01-06 NO MAN S LAND A missing U S nuclear scientist resurfaces as a member of a guerrilla women's rights organization in Pakistan raising all kinds of alarms in Washington Armed with fissionable material and the knowledge to use it the scientist is soon targeted by rebel fighters determined to get their hands on the nukes at any cost With the stability of the entire region on the line Mack Bolan is tasked with extracting the woman and bringing her Stateside even if she doesn t want to go But as the rebels close in and the rights group realizes its combined weapons and skills can t compare to those of trained fighters Bolan and his allies a handful of Pakistani soldiers and an army officer are forced to join the battle Their team might be small but the Executioner has might on his side Stealth Assassin Don Pendleton, 2019 KILL COMMAND A CIA black ops team and their cutting edge drones are destroyed in a mysterious plane crash Suddenly world leaders and innocent victims are being assassinated one by one by similar drones To find the shadowy enemy Mack Bolan must outgun and outfight mercenary defense contractors terrorists and deep cover traitors But when the president of the United States becomes the next target the Executioner races against the clock to bring the masterminds reign of slaughter to a killer end Kill Squad Don Pendleton, 2016-03-01 ALL BETS ARE OFF Nine million dollars goes missing from a Vegas casino and accountant Harry Sherman becomes the mob s scapegoat Sherman s ready to spill everything to the Feds in exchange for his freedom but his bosses are determined to shut him up forever Protecting the moneyman proves too much for the Justice Department leaving only one guy for the job Mack Bolan Soon Bolan's racing across the country to secure the fugitive Sherman before a team of hired killers catches up to him Time is tight as every clue

to the desperate man's whereabouts leads to a dead body and puts innocent lives in the line of fire But when it comes to justice the Executioner always has another card up his sleeve and he ll aim it straight at the enemy **Dark Savior** Don Pendleton, 2015-11-03 SILENT KNIGHTS A key witness in a money laundering case gets cold feet before testifying and flees to a monastery in the Sierra Nevadas But the cartel behind the scheme isn t about to let someone with that kind of information escape unharmed and they dispatch hit men into the mountains Mack Bolan tasked with protecting the witness barely reaches the Sierras ahead of the cartel killers With an epic winter storm raging Bolan will need to combine his combat and survival skills to prevent the thick monastery walls from becoming a prison He can t control the weather but with the monks fighting beside him the Executioner is prepared to unleash a deadly blizzard of his own on the enemy Don Pendleton, 2015-07-01 URBAN RETRIBUTION A powerful Colombian cartel goes too far when they torture and kill a DEA agent Tasked with dismantling their operation and taking out their leader Mack Bolan heads to Cali with an unlikely ally a convicted murderer known as the Witch The former cocaine dealer has an axe to grind with the cartel s kingpin and she s willing to go along with Bolan's plan as long as they avenge her sons deaths in the process But sending the woman in as bait works too well Outnumbered and outgunned the two will need more than their combat skills to dodge the bullets If they re going to survive this Colombian street war they ll have to trust each other and work as a team even when it seems the end is near The cartel may fear the Witch's revenge but the Executioner will make them dread justice Final Assault Don Pendleton, 2015-12 Dead in the Water Not all publicity is good publicity Especially when the fake hijacking of the world's first self sustaining vessel turns into the real deal With the ship and its cargo being auctioned off to terrorists Mack Bolan must rescue the hostages and destroy the vessel before it falls into even more dangerous hands Joining Somali pirates on a raid gets Bolan on board but getting off alive won t be so easy Mercenaries and criminal foot soldiers have taken over transforming the vessel into a minefield Bolan will need to act quickly to take control and with the extraction window closing the Executioner is ready to turn this ship into the Titanic Blood Rites Don Pendleton, 2015-06-01 BAD BLOOD A gun battle between rival gangs terrorizes shoppers at a Miami mall but Mack Bolan knows that cleaning up the mess in Florida is just the beginning One gang's main operation leads back to Jamaica where its drug trafficking business is flourishing And so is the practice of voodoo and human sacrifice Infiltrating the gang on its own territory is a deadly challenge With most of the island on the cartel's payroll or too afraid to come forward Bolan's only ally is a Kingston police officer But no matter the odds the Executioner will do whatever it takes to bring down the drug lord and his army of killers Murder Island Don Pendleton, 2015-08-04 Hunter's Snare On an uncharted island in the Indian Ocean a psychotic hunter stalks the most dangerous prey man His newest target is an international arms dealer a criminal who was in CIA custody when his plane was shot down Sent in to locate the missing prisoner Mack Bolan finds himself caught in the same trap But Bolan isn t the only one trying to secure the arms dealer A team of mercenaries has joined the game and they re playing to win Hunted by the

mercs a psychopath s army and the island s deadly animal life Bolan will need every tactic in his arsenal to recapture the prisoner and put an end to a maniac s big game hunt <u>Uncut Terror</u> Don Pendleton, 2015-10-06 Diamonds Aren t Forever A legendary Kremlin assassin slaughters an American defector before he can be repatriated Not about to let the murder go unpunished Mack Bolan sets out to even the score His first target is a Russian businessman with ties to organized crime a man who was unexpectedly released from a Siberian prison Bolan tracks him to the World Diamond Council meeting in New York City where the Russians reveal their deadly endgame Only one man can stop their scheme to crash the Western The Cartel Hit Don Pendleton, 2015-05-01 BORDER RUN economy and kill hundreds of innocent people the Executioner When a Mexican national captures the murder of an innocent couple on video Mack Bolan is tasked with protecting the young man and delivering his evidence to authorities But then the killer turns out to be a high powered cartel boss intent on destroying any trace of his crime including the witness Suddenly the man with the video is running for his life and Bolan has no choice but to join the chase A hired assassin and his army of trained killers outnumber Bolan in the unfamiliar Mexican territory and he must rely on quick thinking and guerrilla style tactics to wipe out the enemy and ensure the safety of the one man who can shutter the gang's operations for good The cartel is fighting dirty but the Executioner is about to lay down his signature brand of cleansing fire Syrian Rescue Don Pendleton, 2015-09 Critical evacuation A secret meeting with antigovernment leaders ready to negotiate peace in Syria backfires when the plane carrying UN diplomats to the war torn country is shot down Tasked with finding and extracting the diplomats before word of their disappearance gets out Mack Bolan drops into the Syrian desert But Bolan isn t the only one looking for the crash site The rebels and the Syrian military each have their own agendas and UN officials would make valuable hostages for either side of the conflict With the plane s tracking device mysteriously disabled and hundreds of miles of desert to search Bolan is in a deadly race against fighters who are willing to make the ultimate sacrifice for their cause The Executioner won t stop until he leaves his enemies in the dust of their own destruction Lethal Vengeance Don Pendleton, 2019 MISSION PAYBACK When Stony Man chief Hal Brognola is kidnapped Mack Bolan vows to find him and wreak explosive vengeance on those responsible But first he must find his shadowy enemy For deep in the drug cartel hellscape of Ciudad Ju rez Hal is prisoner of the city s most legendary and secretive serial killer To uncover his identity Bolan wages war on Ciudad's biggest narco traffickers battling their merciless soldados and sending their empires up in flames But with the clock ticking down the Executioner must face a cunning foe in an arena where justice will only be found in total annihilation *Enemies Within* Don Pendleton, 2018-03-01 HOMEGROWN TERROR Six US Army Rangers pledge allegiance to an Islamic terror group and send their manifesto straight to Washington Their deadly demand broadcast the declaration on all official channels or they ll unleash a devastating attack Caving to the traitors is not an option With thousands of lives at risk the White House enlists their best hope of neutralizing this threat The Executioner Mack Bolan wastes no time in tracking down the deserters But something seems off about this case It s not

uncommon for the occasional soldier to defect but six Before he can unravel the conspiracy a string of deadly strikes on civilians has him racing along the Eastern seaboard trying to head off the worst of the carnage The Executioner will stop at nothing to blaze a fiery path to the truth and retribution **Roque Elements** Don Pendleton, 2017-12-01 TREACHEROUS CARGO A freighter smuggling nuclear materials from North Korea to Iran should be an easy target for law enforcement But then the ship drops off the map around the Horn of Africa and another freighter with similar cargo disappears soon after The only link between the vessels is a private security firm With nukes floating around in the Indian Ocean the race is on to prevent a horrific disaster and Stony Man Farm has the perfect man for the job Mack Bolan's first move is to infiltrate the security company as an undercover guard But when he forms an unlikely alliance with a Somali pirate it becomes clear these ships aren t just falling prey to high seas holdups and it s up to Bolan to unravel the conspiracy With enemies onboard his vessel and trawling nearby waters Bolan must be sharper and more uncompromising than ever But not even an ocean can douse The Executioner's fiery crusade for justice Cold Fury Don Pendleton, 2019 ARCTIC FIRESTORM A mass grave in an icy Alaskan field A murdered state trooper And maximum damage Soviet weaponry at the scene indicates to the Executioner that he s after something more lethal than just a smuggling ring And he s right as a ruthless Russian colonel transports his diabolical cargo across the Arctic he also threatens to unleash a deadly biological agent on American soil With time running out the Executioner must rescue the innocent and destroy the evil crime ring with hellfire justice Combat Machines Don Pendleton, 2016-12-01 KILLER OFFENSIVE One by one European leaders are dying by assassination And each of the victims opposed Russia's attempts to gain increasing power Determined to stop this wave of terror before it hits American shores Mack Bolan uses the killers next attack to flush them out But these assassins are inhumanly fast impervious to pain and programmed with cutting edge combat skills by a hard line Soviet scientist Now Bolan is being shadowed by a ruthless Russian intelligence team racing to bury him along with this rogue military project To save a summit of world leaders the Executioner must play two brutal factions against each other and send the assassins creator to meet his maker Prescription Don Pendleton, 2017-06-01 Deadly Plague There seems to be little connection between the viral devastation of a small African village and the massacre at a drug research facility in Belgium But Mack Bolan has learned the hard way that appearances can be deceiving In fact a wealthy industrialist is about to expand the release of a highly contagious virus out of Africa and into the States and use the miracle antidote as his ticket to the US presidency It's up to the Executioner to take down the villain's mysterious assassin and stop the pending epidemic Killing Kings Don Pendleton, 2019 KILLER TAKEDOWN The Executioner believes in final justice so when rumors swirl that someone is trying to revive the empire of Pablo Escobar the King of Cocaine Mack Bolan makes it his mission to bring down Pablo s ghost for good But to get to the phantom emperor Bolan must first eradicate an army of skilled hit men savage rival cartel bosses and a vicious torturer The Executioner will need every weapon in his arsenal but he vows to bring this deadly new drug reign to a fiery explosive end
