Tharun Raj, The CA profession is a dizzy road with thorns for an ultimate bliss in life The student has to undergo intensive coaching and learn many new concepts which are of divergent nature say it be accounts audit tax costing law etc and particularly students at Final level feels it difficult to absorb as they have to undergo practical training and attend classes On my interaction with many students at Final level I came to know that they are very much in need of a simple indirect tax book covering all topics which helps them to revise and re Wise the subject from time to time during their idle time in travelling waiting at ITO office etc As a faculty it is a herculean task for me to make things simple to the point and at the same time ensuring that the essence of law in indirect tax is not missed It took me a considerable amount of time and I sincerely thank the almighty and my family for enabling me to put enough efforts required to bring this novel concept into your hands However the detailed information may not be available in this book but I ensured that the crux required for appearing exams is covered It is always advisable to read the main text and base this book as a revision exercise **CA Inter Income Tax**

A Walk Through Income Tax Ashwani Goyal, 2016-05-27. **BASIC CONCEPTS** History of Income Tax. The tax was introduced for the first time in India in 1860 by Sir James Wilson in order to cover up losses sustained by the government due to mutiny of 1857. There were many amendments from time to time at last a separate Income Tax Act was passed in 1886. This Income Tax Act was replaced by Income Tax Act 1918 which was further replaced by Income Tax Act 1922. Income Tax Act of 1922 was subject to many amendments over a period of time due to which it became very complicated. Therefore in order to simplify and to plug loopholes the government of India referred the matter to law commission in 1956 which submitted its report in September 1958. But in the meantime the government of India constituted Direct Tax Inquiry Committee which submitted its report in 1959. Finally in consultation with ministry of law the Income Tax Act 1961 was enacted which applied to whole of India. Income Tax Act 1961 has also been subject to many amendments over a period of time either through Finance Act as passed by the Parliament every year or by separate amendment Acts. Till now following important amendment acts have been passed: Taxation Laws Amendment Act 1984, Direct Taxes Amendment Act 1987, Direct Taxes Law Amendment Act 1989, Direct Taxes Law Second Amendment Act 1989, Taxation Law Amendment Act 1991.
