celebrated artists and musical insiders from Rosanne Cash to Steven Van Zandt about their reactions to the album Zanes interweaves these conversations with inquiries into the myriad cultural touchpoints including Terrence Malick s Badlands and the short stories of Flannery O Conner that influenced Springsteen as he was writing the album s haunting songs The result is a textured and revelatory account of not only a crucial moment in the career of an icon but also a record that upended all expectations and predicted a home recording revolution
