Goal

Build positive relationships between the community, parents, other colleagues, and students both in my class and outside of my class

Rationale

I have included this because teaching is a career where we as educators must collaborate with all people. In my PSI and PSII I was never involved in integrating the community and parents into the classroom. I want to be a teacher that can be approachable whether or not there is an issue present.

Related KSA(s)

KSA 12: the importance of engaging parents, purposefully and meaningfully, in all aspects of teaching and learning. They know how to develop and implement strategies that create and enhance partnerships among teachers, parents and students;

Teacher Evaluation that Works!! William B. Ribas, 2005 Offers practical and effective methods for evaluating educators and provides districts with the tools to systematically and cost effectively assess and revise their supervision and evaluation programs

Successful School Staffing Strategies Michael Pregot, 2016-09-23 Concepts in this book constitute a framework for developing efficient school staff practices The underlying premise addressed in this basic topic is built upon forming a responsive educational community of constituents in which all staff members focus on student learning as a priority The first two chapters define human resource function as contrast them with the ideology of developing human capital Chapters 3 through 5 cite specific suggested activities in the actual hiring process from the school building leader as well as district leadership Chapters 6 through 8 deal with generic staffing practices such as basic supervision working with the non

professional staff and evaluating staff members In Chapter 9 the topic of training improving and retaining school staff is mentioned The last chapter highlights the most essential principles that surround building human capital Evaluating Instructional Leadership Julie R. Smith,Raymond L. Smith,2015-02-19 Improve Principal Evaluation And Create Highly Effective Leaders Behind every high quality principal is an airtight system of leadership evaluation that consistently rewards excellence and remedies deficits While teacher evaluation methods have improved instructional leadership evaluation has often stood still and student learning and achievement have paid the price This book offers clear solutions to these and related problems Application of its ideas will ensure high quality leadership in the principal s office year after year Content includes Extensive data presented in a user friendly manner Clear connections to the ISLLC Standards for School Leaders A suite of interactive tools including sample self assessments mid year and final evaluation forms and professional growth plans

Impacts of Teacher Evaluation and Professional Development on Student Outcomes Edward Crowe,Rena F.

Subotnik,2012-07-01 This particular case study is designed to explore the extent to which a teacher evaluation system is effective It also addresses the challenge of measuring student achievement gains when the students in question are already at the high end of the scale a different yet important problem in an era when many concentrate on low hanging fruit or students on the bubble between failure and marginal performance By presenting a realworld case various research methods for studying issues raised by the case and the interchange among scholars engaged in this effort this volume will allow educational policymakers and practitioners to decide if a proposed approach is compelling and relevant for their settings Concurrently a comparison of various research methods addressing a real school based problem provides an important learning tool for the research community and for those who study and make policy We also believe that the case study and the research designs will be useful for those with responsibility for framing and funding a research agenda in education that utilizes strong research designs applied to topics that matter to student outcomes at all levels of the U S education system and at all levels of pupil performance And finally we hope that doctoral programs that seek to prepare the next generation of education researchers will find our approach helpful in their work **Making Technology Standards Work for You**

Charlotte Danielson,Thomas L. McGreal,2000-07-15 Teacher evaluation a term that brings fear anticipation stress anxiety or even boredom to the hearts of teachers and administrators everywhere How can we reinvent teacher evaluation so that it really makes a difference so that everyone in school benefits from it so that teachers and administrators learn from it so that students succeed as a result of it The bad news is that many schools and districts seem to be stuck in old ruts involving The Observation The Behavior Checklist and The Conference The good news is that many districts have paved the way for teacher evaluation to actually become professional development by using a three track evaluation system Track I for beginning teachers promotes growth and new learning through mentoring frequent observations and support systems Track II for

tenured teachers that is most teachers in the system promotes professional learning experiences through self assessment goal setting data collection formative evaluations study groups action plans and evaluation in which teachers play an active role Track III for tenured teachers needing assistance focuses on remediating difficulties and recommending further action More good news Through concrete examples useful forms and assessment tools this book provides a clear roadmap to effective teacher evaluation systems that combine quality assurance with professional development for all teachers Note This product listing is for the Adobe Acrobat PDF version of the book School Portfolio Toolkit Victoria Bernhardt, 2013-10-02 The School Portfolio Toolkit is a book that includes over 300 tools strategies templates and examples for use in building school portfolios and for planning implementing and evaluating continuous school improvement The Toolkit was written to support school personnel with the mechanics of putting together a school portfolio as well as to offer processes and strategies to move whole school staffs into and through continuous improvement The tools in the Toolkit will help staffs create implement and maintain school portfolios and begin the journey of continuous improvement Each chapter deals with one topic related to the school portfolio and comprehensive school improvement with related documents and tools The School Portfolio Toolkit book provides templates tools examples and strategies that will help you analyze your school's data create a vision that is truly shared by the school staff build a continuous school improvement plan to implement the school vision formulate a leadership structure to implement the vision involve parents community and business in implementing the vision embed up to forty different powerful professional development designs into your school plan evaluate your continuous school improvement work and create a School Portfolio that will organize and serve as a framework for the continuation of this work Overcoming Current Challenges in the P-12 Teaching Profession Keough, Penelope D., 2019-11-29 Teachers are constantly faced with a plethora of challenges but none has been more prevalent in the 21st century than educating a diverse collection of students In the midst of the current challenges in teaching P 12 students pre service teachers may be under district contract but may not be prepared for teaching students with disabilities the homeless second language learners recently immigrated to the United States or students who face emotional challenges or addiction Overcoming Current Challenges in the P 12 Teaching Profession is an essential reference book that provides insight strategies and solutions to overcome current challenges experienced by P 12 teachers in general and special education Featuring coverage on a broad range of topics such as global education professional development and responsive teaching this book is ideally designed for educators administrators school psychologists counselors academicians researchers and students seeking current research on culturally responsive teaching **Building Effective Teacher Professional Development Programs** James Fulton, Building Effective Teacher Professional Development Programs offers a comprehensive guide for educators and administrators seeking to enhance teaching practices through tailored professional development initiatives The book emphasizes the importance of aligning training with teachers needs and the broader educational goals advocating for

collaborative learning environments that foster peer support and mentorship It explores evidence based strategies for designing implementing and evaluating professional development programs ensuring they are impactful and sustainable By highlighting best practices and real world case studies the authors aim to empower educators to create meaningful growth opportunities that ultimately enhance student learning outcomes **Schools as Professional Learning Communities**
