

Teacher Seeds

© 2001 by Shirley Thomas
@ CraftSayings.com

Kids are like seeds
you plant in the soil.
Each takes patience,
nurturing and toil.

You are a great teacher.
You do your job well,
planting seeds of knowledge.
Just look at us to tell.

Now plant these seeds
and over each one fuss,
so they'll grow up bright
to remind you of us!

Teachers' Monographs ,1926 *New York Teachers' Monographs* ,1927 Making My Way in Ethics, Worship, and Wood William Johnson Everett,2021-09-17 William Everett has taught in Catholic and Protestant theological schools in the United States Germany India and South Africa Out of these rich and varied experiences he lays out here in concise manner the main concepts theories and commitments that have emerged in his work From his origins in Washington DC to his later research in Germany India South Africa and Cyprus he reflects on how his experience and life story have shaped his intellectual and religious vision This exposition of his thought ranges from construction of frameworks for relating Christianity to the behavioral sciences to substantive engagement with concepts of covenant and constitutionalism the oikos of work family and faith and ecological and restorative justice Moving beyond the academic he shows us how his poetry liturgies historical fiction and woodcraft also manifest many of these themes in other forms In this exposition and interrogation of his life and work Everett invites us into deeper reflection on the connections that constitute our own

Sowing the Seeds of Character Judd Kruger Levingston,2009-06-08 A rabbi and educator shows how moral education can be crafted to address each of the three main branches of the moral life philosophy civics and ethics Sowing the Seeds of Character The Moral Education of Adolescents in Public and Private Schools is a book for all teachers and parents It rests on the premise that the moral education of students falls within the purview of schools whether they assume responsibility for it or not Regardless of the place of moral education in the formal curriculum all teachers serve as moral exemplars to their students for good or for ill Teachers of science social studies history and literature courses cannot help but inculcate moral sensibility and attitudes in their students by the ways in which they lead them to grapple with or glide over the moral implications of what they teach Judd Kruger Levingston draws many lessons and examples from his extensive research and teaching experience in Muslim Jewish Roman Catholic public Quaker and Chinese schools He argues that teachers should become proficient in directing role playing simulations of moral decision making as morally complex topics arise within the standard curriculum Planting the Seeds of Equity Ruchi Agarwal-Rangnath,2020 Bringing together an inspirational group of educators this book provides key insights into what it means to implement social justice ideals with young children pre K grade 2 Each chapter highlights a teacher s experience with a specific aspect of social justice and ethnic studies including related research projects and lesson plans and implications for teacher education The text engages readers in critical dialogue drawing from works within ethnic studies to think deeply about ideals such as humanization representation and transformation Finding ways to integrate acceptance of difference and social justice content into the primary grades is a complex and challenging endeavor These teacher stories are ones of courage and commitment inspiring the possibility of radical change Book Features Guidance for teachers who want to teach for social justice including lesson plans and strategies Examples of what ethnic studies looks like in early childhood classrooms Dialogue questions to prompt critical

thinking and professional conversation Windows into classrooms that foster valuing of self and respect for diversity of color ethnicity and gender Activities to tap into personal strengths and enrich teaching including yoga and song Connections to relevant research I salute Dr Ruchi Rangnath for bringing together such a powerful set of teacher voices to produce a book that celebrates children and communities of Color From the Foreword by Patrick Camangian University of San Francisco This is an essential text for anyone interested in the transformational possibilities of early childhood education Rita Kohli University of California

Reach out and Touch Dr. Warren Jean Rouse, 2019-08-09 These poetic expressions are spiritually anointed to inspire heal and console As you meditate over the divinely inspired words with repetitive last verse lines it will leave an imprinted message in your mind and spirit that will continue to operate even after reading inspiring you to lift other people s heavy hearts I sometimes perceive my poetry as a continued opportunity to counsel and reach out and touch through the written form of poetic expression My poems can be used in speaking engagements small groups and support groups They have already been used in reaching out and touching others Therefore they can be used to reach out to friends and strangers and in places like mental health institutions hospitals prisons nursing homes and wherever people who are hurting may be

A Teacher's Journey Brigid Wickersham, 2024-04-17 A Teacher s Journey explores the many successes and a few failures that I experienced during my years of teaching While it is a book that offers teaching ideas it is more than that When I hesitated to have this book published fearing it was not good enough my brother wrote I think you are missing the real beauty and power of your missive Sometimes when you are among trees you do not see the majesty of the forest My hope is that readers will see the beauty and power of children who shine and stretch regardless of their circumstances and the part I played in allowing this to happen
