

WELCOME

welcome to my class!

I am so glad you are here!
I have made you a bag of goodies,
to help describe our year.

The eraser is to let you know
it is okay to make mistakes.
we will correct them and learn from them
no matter what it takes!

The "Smarties" say I know you are smart,
and really special too.

The "Lifesaver" is to remind you
that I am here for you.

The pencil represents the learning
that we will do.
School can be pretty tough,
but it is a ton of fun too!

The "Laffy Taffy" says we will laugh a lot,
while traveling through the year you see.

The "Starburst" is to let you know
you are a STAR to me!

Over a forty year period my career in education expanded the private and public sectors but mostly public Hopefully over that period I grew in my understanding of myself and human nature While the work I did was intended to improve the lives and opportunities for children it did not always turn out to be the case Energy was often diverted to those interests belonging to adults I am not referring to parents The adult interest that I speak of here is the interest of those within the system administrators school board members and government officials While I might have included teachers I did not for these are the hardest and most dedicated individuals of this group Someone once said It is about powerwho has the power who wants the power and who gets the power This is the distraction and children are not the benefactors **Paired Passages:**
