**Teacher Forwarder:** This assessment was created based on Math Makes Sense Grade 6 (2006 Edition). However, the questions are more challenging than the ones that you see from Addition Weekly; that comes with the text. Make sure you go through the student answer booklet to see the types of critical and higher-level thinking in your student's expected answers, so that you can introduce the language that will be used in the grade 6 EQAO Assessments; therefore preparing your students for future success.

You can also use this for the end of the year math review, supporting your students to be ready for the EQAO Assessments. Great for preparing students for the summer assessment program, to be ahead of the class.
