Teaching Oriental Bellydance:

Teaching Oriental Bellydance Dawn-Marie Wedlock, 2014-10-17 Oriental dance has been around for thousands of years but modern teaching has not. If you are a teacher, an enthusiast or just exploring the world of teaching this ancient art form then this book is an invaluable tool to start that journey. Learn about brief history, basic moves and the safety issues surrounding group dancing from warming up through to cooling down. Class formats for basic physiology and issues of teaching children, older adults and pregnant women are introduced to give a thorough introduction to this ancient art in our current society. Dawn Marie Wedlock currently lives and teaches in Worcestershire. As a former International educator in the fitness industry, she is well respected for bringing light and humour into fitness training and development. She has competed at National level in both dance and Body Building and has always been adept at making the complicated world of physiology and kinesiology easy to understand. She is an accomplished and experienced dancer and particularly enjoys fusion styles specialising in Club Oriental dance.

Oriental Dance Curriculum Katayoun Hutson, 2015-06-16 The art of Oriental dance may be complex. Teaching it should not be. This complete curriculum guide will help you take the complexity out of teaching and put creativity in. There has never been a cohesive, widely used curriculum in the field. Until now, belly dance teachers had to beg, borrow and steal or create their own. Katayoun has developed her format over the past 15 years. Now she shares her tried and tested methodology with you, including:

- Movement Vocabulary** A foundational movement vocabulary incorporating all the basics, is detailed.
- Dancers of all levels** need to master the unique and universal elements of dance in order to build their skills.
- Thematic Units Lesson Plans** Each unit explores a different theme to add variety while continually refining and building on the basics. Lesson plans are outlined in an intuitive and visually pleasing format.
- Build Up Method of Creating Combinations** Instead of breaking down movements, build them up instead with a more positive and versatile approach with infinite possibilities.
- Layering Method of Teaching** Allow students to develop skills at their own pace while exploring aesthetics, musicality and expression through the vertical and horizontal layers of learning.
- Class Structure Sequence Pace** An outline of how to effectively use class time is detailed, step by step, along with suggested music playlists for each lesson.
- Rubrics of Skills Standards** Skills and standards of learning are detailed at various levels of experience. Each unit includes rubrics to help evaluate students.
- Teaching Tips** At the end of each lesson, a gold nugget of teaching advice is offered to support you in your goals and pursuing your passion.
- Resources** of supporting and background material corresponding to each thematic unit are listed at the end of the book.

Being a belly dance teacher can be one of the most rewarding and exciting journeys in your life. You have the opportunity to offer a life-changing experience. Teaching is a calling that requires more than passion. It requires dedication, experience and education to build your confidence. Imagine yourself as a successful teacher with lots of happy students. That is the first step. The next step is getting the training and tools you need to succeed in your passion. Now imagine you and your students thriving and soaring in all of your dance endeavors.

Bellydancing for Fitness Rania Bossonis, 2004 By performing easy to learn moves you will burn fat tighten your torso and trim your thighs **Tales Told by a Closet Belly Dancer** Jeanne Sandberg Fuller, 2015-10-26 Light and lively Part travelogue part reminisces part belly dances You name it it s here Written in Jeanne Sandberg Fuller s delightful style this third book is a look at her adult life The first two The Day the Bathroom Ceiling Fell and Nice Girls Are the Best Kissers are the stories of her childhood and young adult life and are also written in her inimitable if quirky style Fuller gives her impressions as a dancer and artist as she visits Egypt England Greece and Istanbul The anecdotes of her family on these trips make us feel we re right there with her She has been an avid fairy tale myth and history fan from the very beginning which makes the travels come alive in a most unique way Whether an armchair traveler or a world traveler this book will take you places as never seen before Diane Yost Roush B A Albion College Retired International English Teacher Belly Dance Around the World Caitlin E. McDonald, Barbara Sellers-Young, 2013-07-11 In these essays dancers and scholars from around

the world carefully consider the transformation of an improvised folk form from North Africa and the Middle East into a popular global dance practice They explore the differences between the solo improvisational forms of North Africa and the Middle East often referred to as raqs sharki which are part of family celebrations and the numerous globalized versions of this dance form belly dance derived from the movement vocabulary of North Africa and the Middle East but with a variety of performance styles distinct from its site of origin Local versions of belly dance have grown and changed along with the role that dance plays in the community The global evolution of belly dance is an inspiring example of the interplay of imagination the internet and the social forces of local communities All royalties are being donated to Women for Women International an organization dedicated to supporting women survivors of war through economic health and social education programs The contributors are proud to provide continuing sponsorship to such a worthwhile and necessary cause

Belly Dance for Health, Happiness and Empowerment Tina Hobin, 2015-08-28 Shimmy and shake your way to a healthier lifestyle

Belly Dance, Pilgrimage and Identity Barbara Sellers-Young, 2016-11-07 This book examines the globalization of belly dance and the distinct dancing communities that have evolved from it The history of belly dance has taken place within the global flow of sojourners immigrants entrepreneurs and tourists from the nineteenth to the twenty first century In some cases the dance is transferred to new communities within the gender normative structure of its original location in North Africa and the Middle East Belly dance also has become part of popular culture s Orientalist infused discourse The consequence of this discourse has been a global revision of the solo dances of North Africa and the Middle East into new genres that are still part of the larger belly dance community but are distinct in form and meaning from the dance as practiced within communities in North Africa and the Middle East

Confessions of a Belly Dancer; Secrets of the Hieroglyph Raksanna Larcher Gore, 2012-10-10 1st Chicago Since the dawn of time women have shared their stories They share their ambitions and passions their sorrows and worries their dreams and their joys They do this to learn to teach to encourage and to grow There is freedom in confession In her travels around the world as a professional oriental belly dancer Raksanna has met women in all stages of life and from all backgrounds She has collected the confessions of women who all have one thing in common the dance Join women from around the world who have experienced first hand the life changing transformational power of the ancient art of belly dance Share their laughter and tears and who knows perhaps you too will feel the longing to confess
