Teaching and Learning Pragmatics Noriko Ishihara, Andrew D. Cohen, 2021-09-30 An understanding of sociocultural context is crucial in second language learning yet developing this awareness often poses a real challenge to the typical language learner This book is a language teachers guide that focuses on how to teach socially and culturally preferred language for effective intercultural communication Moving beyond a purely theoretical approach to pragmatics the volume offers practical advice to teachers with hands on classroom tasks included in every chapter Readers will be able to Understand the link between language use linguacultural diversity and multilingual identity Identify possible causes of learner errors and choices in intercultural communication Understand applied linguistics theories that support culturally sensitive classroom practices Develop a pragmatics focused instructional component classroom based assessments and curricula Help learners to become more strategic about their learning and performance of speech acts Incorporate technology into their approach to teaching pragmatics This book aims to close the gap between what research in pragmatics has found and how language is generally taught today It will be of interest to all language teachers graduate students in language teaching and linguistics teacher educators and developers of materials for teaching language

Teaching and Learning Pragmatics Noriko Ishihara, Andrew D. Cohen, 2014 *Speech Act*

Performance Alicia Martínez Flor, Esther Usó Juan, 2010 Speech acts are an important and integral part of day to day life in all languages In language acquisition the need to teach speech acts in a target language has been demonstrated in studies conducted in the field of interlanguage pragmatics which indicate that the performance of speech acts may differ considerably from culture to culture thus creating communication difficulties in cross cultural encounters Considering these concerns the aim of this volume is two fold to deal with those theoretical approaches that inform the process of learning speech acts in particular contextual and cultural settings and secondly to present a variety of methodological proposals grounded on research based ideas for the teaching of the major speech acts in second foreign language classrooms This volume is a valuable theoretical and practical resource not only for researchers teachers and students interested in speech act learning teaching but also for textbook writers wishing to have an informed opinion on the pedagogical implications derived from research on speech act performance

Learning Pragmatics from Native and Nonnative Language Teachers Andrew D. Cohen, 2018-05-25 This book deals with intercultural pragmatics and how both nonnative teachers NNTs and native teachers NTs may enhance their classroom instruction regarding target language TL pragmatics It focuses primarily on the experiences of instructors as they teach their learners about the pragmatics of the TL both in second and foreign language learning settings It makes clear that there are aspects of teaching pragmatics where it may help to be an NT and other areas where it may help to be an NNT and proposes creative ideas that both sets of teachers may draw on to compensate for gaps in their knowledge Further themes in the book include ideas for motivating students who want to learn about pragmatics the role of technology in teaching and learning pragmatics the role of learning strategies the assessment of pragmatics and ways to research pragmatics The book will be of interest to teachers teacher educators and students interested in researching and improving the teaching of pragmatics

Teaching and Learning Second Language Pragmatics for Intercultural Understanding Troy McConachy, Anthony J. Liddicoat, 2021-11-29 This collection argues for the need to promote intercultural understanding as a clear goal for teaching and learning pragmatics in second and foreign language education The volume sees the learning of pragmatics as a challenging yet enriching process whereby the individual expands their capacity for understanding how meaning making processes influence social relationships and how assumptions about social relationships shape the interpretation and use of language in context This locates pragmatics within a humanistically oriented conception of learning where success is defined relative to the enrichment of human understanding and appreciation of difference The book argues that intercultural understanding is not an add on to language learning but central to the learner's ability to understand and construct meaning with individuals from diverse linguistic and cultural backgrounds Chapters analyse teachers and learners ways of making sense of pragmatics how their assumptions about social relationships impact their perceptions of language use and how reflection on pragmatic judgments opens up possibilities for developing intercultural understanding This book will be of interest to students and scholars in intercultural communication
