wrong he whispers And so delicious 18 year old Brittany is just out of high school and has no intentions of going to college right away Her stepfather Mike has other plans for her though In an attempt to convince Brittany to continue her education she is sent on a road trip alone with her sexy stepdaddy who is keen to protect his inexperienced stepdaughter But instead she gets taught a taboo lesson by Mike taking her untouched young body hard and without protection as he no longer puts up with her constant teasing This is a tabbo romance between a stepfather and his virgin stepdaughter **Her Stepfather,**

Her Lover Tammy Weekes,2021-05-03 Clara Conway had turned eighteen almost six months before and since her eighteenth birthday she d started teasing her stepfather Peter Washington At first it started innocently enough like allowing herself to be caught with the bedroom door open while she was changing Then she escalated it to things like bending over to give him a look at her backside while she was conveniently wearing only her thong underwear The truth was that she enjoyed teasing him She enjoyed exposing herself to him And she knew it was building to something even if she didn t know exactly when that something would happen For his part he always put up with it and never said anything Sometimes she saw him staring only for him to look at her with a look of red faced embarrassment His continued silence in the face of her continued teasing proved to her that she could keep pushing the line and eventually cross it Like she was planning to do that very night
