Religious Books On Marriage:

Sacred Marriage Gary Lee Thomas, 2002-01-24 Starting with the discovery that the goal of marriage goes beyond personal happiness writer and speaker Gary Thomas invites readers to see how God can use marriage as a discipline and a motivation to love him more and reflect more of the character of his Son

What God Hath Joined Together Kevin Rhodes, 2009-11-01 Marriage was begun by God designed by God and leads to the greatest happiness when couples listen to God You will never find two perfect people which is why you must listen to a perfect God if you want the perfect marriage

PRECEPTS Thoroughly biblical while addressing a variety of issues couples face in real life Illustrates how decisions before marriage greatly affect the marriage Provides a biblical perspective for often cited counseling approaches A balanced view of the responsibilities of husbands and wives

PROMISE The reader will gain an appreciation for God's wisdom in His plan for marriage The reader will better understand his or her spouse's point of view The reader will understand intimacy in the greater context of marriage The reader will learn to respect God and his or her spouse more within the marriage

Contents

Chapter 1 Introduction Beginning with a discussion of the ground rules for husbands and wives to discuss their marriage this opening chapter is designed to introduce the biblical nature of marriage the practical implications of marriage how expectations can be our enemy in marriage how and when to evaluate your marriage and then ultimately why everyone should want a happy marriage

Chapter 2 The Right Reasons for Marriage This chapter discusses the reasons provided in the Bible for marriage showing the importance of each one and then proceeds to illustrate why a marriage begun for the wrong reasons can lead to real problems later on

Chapter 3 Preparing for Marriage While many people spend months planning for a wedding they rarely spend much time preparing themselves for marriage However strong marriages begin with people who have prepared their character long before marriage people who had standards for whom they would marry and kept to them people who recognized that married life is different that many would change significantly and that the unexpected might become normal Most of all people must learn to prepare themselves for the commitment that marriage requires Without these things it is no wonder that couples have problems

Chapter 4 The Problem Free Marriage Part One While the nature of what two people might argue about or what might drive them apart will be different depending upon their background and circumstances we can be sure that problems arise in any marriage Therefore marriage is not about avoiding problems which is impossible but about confronting them properly The place to start of course is by knowing what potential problems lurk out there so that you can prepare to meet and overcome them together

Chapter 5 The Problem Free Marriage Part Two Unfortunately there are a LOT of potential problems which means additional discussion

Chapter 6 The Importance of Character in Marriage Young couples often approach marriage as if saying I do in front of people makes you grow up immediately Instead couples should know that marriage does not necessarily mature people but that only mature people should get married Marriage requires constancy on some things and flexibility on others Maturity helps you tell which one is

needed when Marriage requires unselfishness and good communication skills as well as the right attitude when things do not go your way Marriage therefore works best when both husband and wife are faithful Christians submitting first to God's will so that they are prepared to work together to fashion their marriage according to God's will Since some people have trouble determining when they are truly prepared I suggest asking five specific questions whenever you are considering marriage Chapter 7 Roles in Marriage While a discussion of the roles the Bible gives for husbands and wives is not necessarily politically correct it is essential for a strong marriage But more than this it is important for couples to understand these roles in a deeper way instead of believing the caricature The Marriage You've Always Wanted Bible Study Gary

Chapman, 2009-07-22 From the New York Times bestselling author and international speaker comes this interactive practical resource designed to help couples grow closer to each other and closer to God Couples will discuss and reflect on such areas as money anger forgiveness and spirituality all in an easy to use workbook format Learn how to share yourself fully with your spouse and express love in a meaningful way Formerly titled A Couple's Guide to a Growing Marriage Ideal for personal and group study and includes an updated resource list at the end of the book **The Principles of Christian Marriage**

Uchechukwu Udensi, 2023-01-02 The Principles of Christian Marriage was written to help Christians navigate marital relationships by following the principles laid out by God from when the man starts seeking a wife to when he is married to God's plan regarding divorce God instituted marriage and he alone can set out how it should be conducted Most people including Christians don't realize the enormity and sacredness of the marital life and that marriage is a covenant relationship Malachi 2:14 KJV One thing established in this book is that marriage is a physical representation of the spiritual relationship a Christian has with Jesus Christ Ephesians 5:32 KJV and because of this ignorance Satan has corrupted the sanctity of marriage with the worldly view and concept This book also shares briefly that the purpose of marriage is first for companionship before procreation or fruitfulness That's why a Christian should first have a personal relationship with God before he can be fruitful in the things pertaining to God Finding a wife is conceived and birthed in the place of prayer as we see in Abraham's servant and God making a deep sleep come upon Adam The husband's authority in marriage is a representative responsibility and this places the fruitfulness of the marriage on the man He is the responsible authority in the marriage that's why when Adam disobeyed God in the garden of Eden and shifted the responsibility to his wife Eve God told Adam Because thou hast thou hearkened unto the voice of thy wife Genesis 3:17 KJV Man has since been abdicating the authority God placed on him in the home to the woman One will also see that God did not establish nor approve divorce so Christians ought not to divorce 1 Corinthians 7 **Marriage 101** Jewell R. Powell, 2009-02 Using biblical examples reflection questions and Scripture meditation Powell challenges those who want strong and healthy marital relationships to lay a spiritual foundation from which to grow **Christian Marriage** David Martyn Lloyd-Jones, 2012 In an age which has seen an almost total collapse of marriage and when in many cases marriages end in divorce with children being raised in

broken homes Dr Lloyd Jones words speak powerfully into our present situation It is a situation which may be seen as giving Christians and especially Christian marriages a valuable opportunity to bear witness to biblical truth The way in which Dr Lloyd Jones like the Apostle Paul deals with marriage relationship is extremely important to attempt to deal with Christian practice apart from Christian doctrine is to tread a dangerous path As these chapters on Ephesians make clear the only Christianity powerful enough to penetrate and change society is that which is derived from the work of the Spirit of God

The Challenge of Christian Marriage Thomas M. Martin,1990 *Christian Marriage* David Michael Thomas,1992
This book represents a theology of marriage It is not intended as a manual for solving marital problems or as a self help guide on how to improve one s marriage Rather its basic goal is to bring forward into our time with all its uniqueness and peculiarities major insights of the Christian faith as they relate to married life Through the love of wife and husband woman and man through loving words pronounced in public in formal ceremony and unfolded in the time that ensues through the couple s collaboration with God s creative power in brining new life into the world through the spirituality lived in transforming creation the sacrament of marriage brings the Spirit of God into the world Each couple has the power to block this process but what is more important to affirm is their capacity to advance it And it happens From Chapter 1 [The Gospel & Marriage](#) Russell D. Moore,Andrew T. Walker,2017 While the culture has never been more confused about the definition of what marriage is those who are married have never been more hopeless about how marriage should be lived The times have never been more crucial for digging deeper past the definition of marriage to the structure of marriage the blessings of marriage and the opportunity for living out the image of the gospel that s embodied within marriage **The Christian Marriage** Chris S. Sherrerd,2003 **The Mystery of Christian Marriage through the Ages** Anna M. Silvas,2020-05-15 Deep prayer Cleaving to our Lord Jesus Christ Immersion in the Scriptures Baptismal and eucharistic faith in quest of ever deeper understanding Historical un naivety A theological care for the truth that abides An interest in diagnosing cultural and civilizational shifts Attention to the words and teachings of the Church Fathers Linguistic sensitivity All these operational elements come together in this book which seeks to search out the Nuptial Mystery of the human condition from the beginning when we were first created through the dramatic damage contracted in the Fall as it plays itself out in the struggles of human history towards the beckoning fulfillment of all things in the world that is to come This is not just another book on marriage but an education in a way of theologically seeing the Mystery of Christ written into our human vocation as male and female called to spousal covenant open to the primacy of God fruitful with a fruitfulness coming from God and leading us to the bridegroom on the cross come to espouse his bride the church *Love Life for Every Married Couple* Ed Wheat,Gloria Okes Perkins,1996-12-24 Physician Ed Wheat has helped thousands of couples improve their love lives and build happier marriages In *Love Life for Every Married Couple* he ll help you improve your marriage through sharing touching appreciating and focusing healing attention on your mate Answering physical psychological and stress

related questions in a Christian context Dr Wheat demonstrates how to bring your feelings of love back to life **Sacred Marriage Bible Study Guide Plus Streaming Video, Revised and Updated** Gary Thomas,2025-04-22 In this six session small group Bible study Sacred Marriage writer and speaker Gary Thomas invites you to see how God can use marriage as a discipline and a motivation to reflect more of the character of Jesus **Toward a Christian Marriage** Bruce H. Stokes,2003 *Gospel-Shaped Marriage* Chad Van Dixhoorn,Emily Van Dixhoorn,2022-05-19 A Gracious Biblical Model for Marriage Married Christians and those preparing for marriage know that they re sinners and that their sin threatens God s great purposes for their union including mutual support companionship and intimacy But how often do believers recognize that they are also saints equipped through God s power to create a healthy loving marriage In Gospel Shaped Marriage Chad and Emily Van Dixhoorn encourage couples with how Christ calls and enables them to love their spouse They give a brief assessment of the biblical design for marriage while offering practical proven advice for husbands and wives Drawing from Scripture and the writings of Puritan minister William Gouge their advice also prepares churches friends and others to support married couples in their lives Comprehensive and Theological Includes a summary of marriage in redemptive history recommended Bible verses with each chapter and prayer prompts Accessible Offers guidance for singles preparing for marriage young and mature couples struggling couples and those who want to strengthen their relationship Practical Advice Written by a pastor and his wife this concise easy to understand guide includes discussion questions for each chapter

Gospel Centered Marriage Tim Chester,2011-10-01 How the gospel shapes the practical realities of everyday married life Most of what the Bible has to say about marriage does not come flagged up under a heading of marriage It s not just the famous marriage passages that should shape a marriage but the whole Bible story of God s good creation humanity s wicked rebellion and God s gracious redemption To understand why marriages struggle as they all do we need to understand the nature of our sin To make marriages work we need to understand how to apply the truth about God and his salvation This study guide on Christian marriage focuses on how the gospel shapes the practical realities of everyday life Author Tim Chester lifts the lid on many of the common pressure points that modern couples face and shows how a proper understanding of the gospel can shape a response **Marriage** David John Robertson,2005 Unlike most Christian books on marriage this is rooted in the Bible rather than personal experience or psychological insights A thorough survey of the Christian understanding of marriage in the light of Biblical teaching Discusses every aspect of marriage from the marriage vows to bereavement Author has 20 years experience of teaching about marriage and says he sticks by what he teaches despite his own experience of divorce *The Marriage Ring, Or, How to Make Home Happy* John Angell James,1843 *The Future of Christian Marriage* John Marshall,1969 *PRINCIPLES OF CHRISTIAN MARRIAGE AND FAMILY LIFE* Akinbowale Adewumi,2020-01-14 With the trend of divorce in Christendom it has become worrisome that some believers are fast changing the ancient landmark of God Over time many couples have bounced back from a vast range of seemly irreversible

problems such as unresolved conflicts extramarital affairs lack of intimacy excessive quarrels insufficient and ineffective communication inadequate quality of time spent together due to busy schedules suffocating partners children issues trial separation and many more complex and difficult situations With absolute trust in God following biblical principles and spiritual counseling coupled with prayer virtually anyone can have the marriage of their dreams By God's grace and through the inspiration of the Holy Spirit the author instructs through this compendium on Principles of Christian Marriage and Family Life about how to resolve your matrimonial problems and have a marital life of heaven on earth
