## Remembering Things Past Crime Shots:

**Remembrance of Things Past** Marcel Proust, 2006 Proust is the twentieth century's Dante presenting us with a unique unsettling picture of ourselves as jealous lovers and unmitigated snobs frittering our lives away with only the hope of art as a possible salvation

**Deadly Past** Kris Rafferty, 2018-12-11 Cold hard facts are what make or break a case for the FBI But when there's evidence that one of their own has been turned there's more on the line than the truth There are personal bonds that can be stretched to the limit After blacking out a discharged weapon and hazy memories put FBI profiler Cynthia Deming at the scene of a crime the execution of six federal witnesses against the mob The one and only person she can turn to for help is her best friend Boston forensic pathologist Charlie Foulkes It's a relationship that no one on her team knows about and it's about to be tested by danger and desire Charlie knows that Cynthia is no killer But as they embark on a shadow investigation to clear her name evidence surfaces implicating him With the conviction of a mob boss hanging in the balance they'll have to uncover who's framing them to take the fall and what lines they're willing to cross in their professional and personal lives to prove that nothing will tear them apart

*Shot in the Heart* Mikal Gilmore, 2009-09-23 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER A murder tale from inside the house where murder is born Haunting harrowing and profoundly affecting *Shot in the Heart* exposes and explores a dark vein of American life that most of us would rather ignore It is a book that will leave no reader unchanged Gary Gilmore the infamous murderer immortalized by Norman Mailer in *The Executioner's Song* campaigned for his own death and was executed by firing squad in 1977 Writer Mikal Gilmore is his younger brother In *Shot in the Heart* he tells the stunning story of their wildly dysfunctional family their mother a black sheep daughter of unforgiving Mormon farmers their father a drunk thief and con man It was a family destroyed by a multigenerational history of child abuse alcoholism crime adultery and murder Mikal burdened with the guilt of being his father's favorite and the shame of being Gary's brother gracefully and painfully relates his story from inside the house where murder is born a house that in some ways he has never been able to leave *Shot in the Heart* is the history of an American family inextricably tied up with violence and the story of how the children of this family committed murder and murdered themselves in payment for a long lineage of ruin

*Shots Fired* MJ Williams, 2008-11-01 Kyla and Echo seem to have the perfect relationship and the perfect life until someone shoots at Kyla causing a car crash that leaves her with only fractured memories of her former life Kyla can't believe her partner Echo is having an affair but the police believe a love triangle is motive for murder Detective Pat Silverton investigating the shooting is not convinced by her partner Tom Magnell's theory but she concedes her attraction to the other woman in their suspect's love triangle could be clouding her judgment sexy hotheaded Jenny Vasquez could tempt anyone But would a woman kill to be with her Or could Jenny be the shooter The more Kyla learns the less certain she feels about everything her partner's love her own choices and her safety Caught between renewed passion for the woman she fell in love with years ago and the mounting evidence of betrayal Kyla must

decide whether to trust her heart or her mind The stakes don't get any higher someone is still trying to kill her and she has no idea why *Last Shot at Justice* Kristi Cramer, 2013-04-11 **The Last Thing She Remembers** J. S.

Monroe, 2019-05-28 A woman with amnesia stirs up trouble for an English village and its residents in this psychological thriller by the bestselling author of *Find Me* Who can you trust if you don't know who you are She arrives at the train station only to realize her bag had been stolen her passport credit cards laptop house key now all gone And even more disturbing when she goes to report the incident she can't recall her own name All she has on her is a train ticket home Suffering from stress induced amnesia the woman without a name is a source of mystery when she appears at the sleepy Wiltshire village where she thought she lived She quickly becomes a source of conspiracy and fear among the townspeople Why does one think he recognizes her from years earlier And why do the local police take such a strong interest in her arrival From the critically acclaimed author of *Find Me* comes a shocking new tale of dark pasts and deception leaving us breathlessly

**The Naked Neuron** Rhawn Joseph, 2013-12-01 In the beginning there was not only life but the ability to communicate and eventually to cooperate among the most basic primeval creatures In The Naked Neuron Dr Joseph an internationally respected neuroscientist and author of the highly praised The Right Brain and the Unconscious Discovering the Stranger Within takes us on an intriguing journey through time as he traces the evolution of communication and language from the most primitive single celled animals to our earliest ancestors to humans today As he so clearly demonstrates we are linked to all levels of animals in a common bond of

sensing feeling and communication Be it singing wolves dancing bees or writhing rock and roll dancers all communicate a treasure chest of meaning in the absence of the spoken word Approximately 700 million years ago a unique type of cell came into being the neuron This naked neuron or nerve cell lacked a protective fatty sheath Still it marked a monumental and world altering development since it would become the building block of the brain The naked neuron generated a revolutionary change resulting in a greater complexity and subtlety of thought Dr Joseph vividly depicts how neurons conferred on early humans advanced powers of mental and sensory acuity including the gift of remembering one s past and contemplating the future Although humans possess much of the same ancient brain tissue as our fellow primates Dr Joseph reveals to us the singular features of the human brain that have enabled humans uniquely to develop complex spoken language He holds us spellbound revealing that although the new and old brain tissue are couched within the same brain each often has difficulty understanding the impulses and language of the other This ground breaking book draws on Dr Joseph s brilliant and original research and theories fusing the latest discoveries made in neuroscience sociobiology and anthropology He illuminates how the languages of the body and brain enhance intuitive understanding and spur a thirst for knowledge for its own sake The human body and brain together are a veritable living museum which contains billions of cells with a long evolutionary history As this unforgettable book shows it is the communication of this panoply of cells the residues of the past merged with the musings of the present that gives rise to life love art science literature and the ceaseless desire to search for and acquire knowledge
