*The Complete Idiot's Guide to Improving Your Credit Score* Lita Epstein, Lita, MBA Epstein, 2007 Consumers have known about credit reports for a long time we're well aware that lenders rely on them to determine whether they want to do business with us Any time we want to buy a house rent an apartment or take out a loan it's a safe assumption that one or several reporting agencies are going to be contacted to provide our credit history But we don't always realize that there's a single element on that report that determines success or failure and that's a three digit number called a credit score Created by Fair Isaac and Company this formerly secret FICO number was until fairly recently available only to lenders and businesses and although it's hush hush no longer many of us still don't understand it because there hasn't been enough information on what it is and what exactly lenders are looking for And we certainly haven't known how to make it work for us rather than against us In *The Complete Idiot's Guide to Improving Your Credit Score* author Lita Epstein clearly explains what your credit score is and how it impacts your life Rather than putting the focus squarely on credit emergencies it provides everything readers need to know to raise their score and keep it high now and in the future

Seattle's Central District continues to flourish under the guidance of the third generation of the Frank family. But theirs was not a journey paved with silver spoons. In *Get Up Get On It*, Dana Frank paints a vivid picture of the hurdles her family faced. Dana herself confronted racial barriers as her father made unconventional business choices. When her parents' thirty-two year marriage ended in a bitter divorce, Dana and her mother emerged as fearless business partners facing the brink of bankruptcy left by her father. Their story is a testament to fortitude, perseverance, bravery, and unrelenting hard work. As a single mother and entrepreneur, Dana learned the power of leveraging her network, staying true to her story, and envisioning a brighter future. Today, as the President of The TD Frank Family Properties, Dana's mission is clear: to teach how to create generational wealth by working smarter, not harder. She emphasizes a timeless truth: Equity grows, cash erodes, and reveals how real estate investments can be a game changer for future generations. Dana firmly believes that anyone, regardless of their birth circumstances, can rewrite the trajectory of their lives. *Get Up Get On It: A Black Entrepreneur's Lessons on Creating Legacy Wealth* offers personal stories filled with humor and invaluable insights on reshaping your inner narrative. A straightforward yet potent approach to building generational wealth through the R.E.A.L. method (Research, Expand, Amplify, and Leverage) connections, guidance on gaining advantages, progressing, fostering empowerment, and achieving success in wealth building through real estate. A treasure trove of historical photos that illuminate the family's ties to challenging real estate markets and their connections with the vibrant music scene of the 1960s, 70s, and 80s, featuring Dana's uncle Quincy Jones. Original social justice poems penned by Dana Frank herself throughout the book, amplifying the narrative that People of Color can indeed Get Up and Get On It. *Get Up Get On It: A Black Entrepreneur's Lessons on Creating Legacy Wealth* is a compelling story of determination that challenges conventional paths to freedom.
