

## RENAULT "HANDS-FREE" CARD: use (2/3)

### Locking the vehicle

There are three ways to lock the vehicle: remotely, using the button **3**, or using the RENAULT card.

#### Remote locking

With the RENAULT card on you, and doors and tailgate closed, move away from the vehicle: it will lock automatically once you have left zone **1**.

**Note:** the distance at which the vehicle locks depends on the surroundings.

The hazard warning lights **flash twice** and a beep sounds to indicate that the doors have locked.

The beep may be switched off. Consult an approved Dealer.

If a door or the tailgate is open or not properly closed, or a card is in the passenger compartment (or the card reader) the vehicle will not lock. In this situation, **no beep sounds and the hazard warning lights do not flash.**

### Locking using the button **3**

If you want to lock your vehicle, the card must be nearby (adjacent garage etc.), with the door and boot closed. Press button **3** on the handle of the driver's door. The vehicle will lock. If a door or the boot is open or not closed properly, the vehicle will quickly lock/unlock.

**Note:** a RENAULT card must be within the vehicle's access zone (zone **1**) to be able to lock the vehicle using the button.

#### Special note

If you wish to check that the doors are locked after locking using the button **3**, you have approximately **three seconds** to try the door handles without unlocking them.

After this delay, the hands-free mode is activated once again and any movement of a handle will unlock the vehicle.

If the vehicle is fitted with remote window closing, two quick presses on the button **3** automatically causes all the windows to close and the doors to lock (please see the information on "Electric windows, Electric sunroof" in Section 3).
