Towpath Lori de Mori, Laura Jackson, 2020-10-07 Selected as a Best Cookbook of the Year by *The Guardian*, *The Independent*, *Stylist*, and *Daily Mail*. Towpath is one of the reasons I live in London. Keira Knightley dined and cooked up a Towpath feast for her friends and family. Fergus and Margot Henderson inspired recipes from the beloved East London cafe along with stories capturing the ebb and flow of community food and the seasons. A lot has changed since Towpath first rolled up its shutters 10 years ago on the Regent's Canal in

Hackney and everything but the toasted cheese sandwich was cooked from home across the bridge And a lot hasn't It is still as much a social experiment as a unique and beloved eatery What happens when seasonality means you close every year in November because England's cold dark winters are simply inhospitable to hospitality from a little perch beside a shallow manmade waterway that snakes through East London What if you don't offer takeaway coffees in the hopes that people will decide to stay awhile and watch the coots skittering across the water If you don't have a phone or a website because you'd rather people just show up like hungry kids at a playground Towpath is a collection of recipes stories and photographs capturing the vibrant cafe's food community and place throughout the arc of its season beginning just before the first breath of spring through the dog days of summer and culminating with fireworks before its painted shutters are rolled down again for winter The pages feel personal with a sense of place time and friendship that make the book feel incredibly meaningful It is a cookbook original charming and tasty in equal measure Foodism **Quick and Healthy Recipes and Ideas** Brenda Ponichtera, 2013-08-22 Designed for anyone who wants to eat healthier but doesn't have lots of time Quick delicious quick to prepare low fat recipes and 20 weeks of easy menus each with a grocery list Perfect for anyone trying to control their weight as well as anyone with heart disease or diabetes This is one cookbook dietitians and physicians are recommending to all their patients
