

OUTDOOR SCAVENGER HUNT

24 fun
clues

Lets put on our shoes
to go outside
The first clue is
hiding where the
door opens wide

I can go ring or rat a
tat tat
When you hear my
sound ask who is that

I have wheels that go
round and round
I can do stunts but
am safest on the
ground

I grow up and down
at the same time
Keep me pruned and
I'll be just fine

Our small flying
friends like to eat
here
Watch them quietly,
don't get too near

I am strong and there
to lend a hand
Moving anything
your like, bricks
rubble and sand

Use pegs to hang
clothes on me when I
am wet, I'll soon be
dry in no time, that's
a bet

Look near, but don't
touch this, it gets
very hot! Cooking
sausages and
burgers - the lot!

We eat outdoor meals
here as a summer
treat, its where we
sit together outside
to drink and eat

I can only accept
small things
Anything bigger, then
the doorbell rings

I blow in the wind and
am visited by bees
Growing mostly
small, or perhaps up
to your knees

Hit me with a racquet
or bounce me against
the wall, I come in all
colors and sizes - we
love them all

Good Reception Antero Garcia, 2022-06-07 A year in the life of a ninth grade English class shows how participatory culture and mobile devices can transform learning in schools Schools and school districts have one approach to innovation buy more technology In Good Reception Antero Garcia describes what happens when educators build on the ways students already use technology outside of school to help them learn in the classroom As a teacher in a public

high school in South Central Los Angeles Garcia watched his students nearly universal adoption of mobile devices Whether recent immigrants from Central America or teens who had spent their entire lives in Los Angeles the majority of his students relied on mobile devices to connect with family and friends and to keep up with complex social networks Garcia determined to discover how these devices and student predilection for gameplay combined with an evolving culture of participation could be used in the classroom Garcia charts a year in the life of his ninth grade English class first surveying mobile media use on campus and then documenting a year long experiment in creating a wireless critical pedagogy by incorporating mobile media and games in classroom work He describes the design and implementation of Ask Anansi an alternate reality game that allows students to conduct inquiry based research around questions that interest them including Why is the food at South Central High School so bad Garcia cautions that the transformative effect on education depends not on the glorification of devices but on teacher support and a trusting teacher student relationship

Mastering Community Christine Porath, 2022-03-08 From the author of Mastering Civility a thoroughly researched exploration of the impact and importance of building thriving communities with actionable steps on how to create them in your work and broader life In her powerful new book Christine Porath explores how the rise of technology and modern workplace practices have fractured our communications yet left us always on digitally Through now common practices like hot desking and remote work even without the added isolation of social distancing we experienced during the pandemic our human interactions have decreased and so too have our happiness levels This lack of a human factor is sparking a crisis in mental health that will have repercussions for years to come leaving people lonelier and making the bottom line suffer too What Christine has discovered in her research is that leaders organizations and managers of all stripes may recognize there is a cost but have no idea as to implement the cure Community With her signature depth and grasp of research across myriad industries including business healthcare hospitality and sports Christine extrapolates from the statistics on the experiences of hundreds of thousands of people across six continents to show us the potential for change Through sharing information about the community empowering decision making discretion and autonomy creating a respectful environment offering feedback providing a sense of meaning and boosting member well being anyone can help a community truly flourish The applications are endless the stories are positive and uplifting and will inspire the reader to establish and grow their community be it in the workplace or the PTA and make it thrive
