The Insider's Guide to the Colleges, 2013 Yale Daily News, 2025-09-23 The Insider's Guide to the Colleges has been for 39 years the most relied upon resource for high school students looking for honest reports on colleges from their fellow students. Having interviewed hundreds of their peers on more than 330 campuses and by getting the inside scoop on everything from the nightlife and professors to the newest dorms and wildest student organizations the reporters at the Yale Daily News have created the most candid college guide available. In addition to the well-rounded profiles this edition has been updated to include Essential statistics for every school from acceptance rates to popular majors. A College Finder to help students zero in on the perfect school. All new FYI sections with student opinions and outrageous off the cuff advice. The Insider's Guide to the Colleges cuts through the glossy brochures to uncover the things that matter most to students and by staying on top of trends it gives both students and parents the straightforward information they need to choose the school that's right for them.

**The American Indian and Alaska Native Student's Guide to College Success** D. Michael Pavel, Ella Inglebret, 2007-05-30 Choosing the right college is a big decision for most people. American Indian and Alaska Natives are no exception but finding a college that offers a good educational program in their major plus a strong support system for tribal traditions makes that decision even more complex. This volume will help Native people clarify their postsecondary aspirations, improve their college choice and increase their success in college. After a thorough examination of the issues that should be considered Pavel and Inglebret present the different types of colleges, available programs and services to meet the special needs of Native students and financial aid options. By answering many of the basic questions students have about going to college Pavel and Inglebret help to demystify the process and encourage more Native students to pursue a college education. Special features include: A list of colleges with Native American studies and those most friendly to Native Americans' needs. A list of sources for financial aid with contact information. Interviews with Native American students on all aspects of their college experiences. Suggestions for students on how to balance their new college experiences with their community and heritage.
