Teach Yourself Comparative Linguistics Robert Lord,1966 Non Aboriginal material Hausa Charles H. Kraft,Anthony H. M. Kirk-Greene,1990 This course in Hausa a West African language spoken by over 30 million people introduces the structures of the language through a series of graded lessons complete with exercises dialogues and traditional fables Easy reference grammar tables and an extensive two way vocabulary are included **Over 20 Peace Corps Language Training Publications - Country Pre-departure Materials** , Over 1 600 total pages Understanding a foreign language can be fun as well as challenging It is also an important skill needed by Peace Corps Volunteers to integrate into their communities Use our resources to learn basic phrases and greetings from some of greetings from some of the countries where Peace Corps Volunteers serve Included languages plus more Albanian Armenian Azerbaijani Bambara Bangla Bislama Bulgarian Chinese Mandarin Darija French Mali Georgian Hausa Jordan Arabic Marshallese Malagasy Macedonian Kazakhstan Russian Kyrgyz Russian Mongolian Moroccan Arabic Turkmen Romanian siSwati Thai Setswana Ukrainian Wolof **Syntactic Analysis and Description** David Lockwood,2005-12-07 This book is designed to teach undergraduate and beginning graduate students how to understand analyse and describe syntactic phenomena in different languages The book covers every aspect of syntax from the basics to more specialised topics such as clitics which have grammatical importance but cannot be used in isolation and negation in which a construction contradicts the meaning of a sentence The approach taken combines concepts from different theoretical schools which view syntax differently These include M A K Halliday s systemic functional linguistics the stratificational school advocated by Sydney Lamb and Kenneth L Pike s tagmemic model The emphasis of the book is on syntactic structures rather than linguistic meaning and the book stresses the difference between a well formed sentence and a meaningful one The final chapter brings these two aspects together to show the connections between syntax and semology Each chapter concludes with exercises from a diverse range of languages and a list of major technical terms The book also includes a glossary as an essential resource for students approaching this difficult subject for the first time **Using Language Learning Materials** Claudia Fernández,Adon Berwick,2022-07-15 This volume centres on the domain in materials research that is the least investigated how language teachers and learners use materials Issues such as how the use of materials by teachers and learners inform materials writers whether and how teachers perspectives influence how they perceive and enact materials and what are the factors that contribute to teachers use of both traditional and innovative textbooks are discussed here The volume also addresses some of the theoretical frameworks that inform materials use and will advance the readers understanding of this promising area of materials research It will appeal to postgraduate students teachers materials developers and researchers **Talk**

Nigeria King Kayode Yeotan, 2011-07-26 Talk Nigeria was created to help those that often travel to and from Nigeria and would like a more efficient way of communicating with the majority of Nigerians This handbook will enable foreign born Nigerians and their families to teach their native language to their children Talk Nigeria makes it possible for them to not only learn the languages but also to assist them with phonetic pronunciation of the words in their native languages This is not just another boring language guide that is only based upon endless repetitions of language drills It is a handbook that promotes quick and effective communication with Nigerians in the three major languages It includes easy to read translations from English into the three main languages spoken in Nigeria Yoruba Ibo and Hausa all translations include the phonetic pronunciation for each word and phrase translations for greetings everyday phrases and a reference dictionary An innovative way to learn to speak a very common African language this handbook is an indispensable guide to speaking the Nigerian languages correctly and effectively

The World's Languages Catalog, 1977 **Cognitive Foundations of Grammar** Bernd Heine, 1997-11-27 The main function of language is to convey meaning Therefore argues Bernd Heine in these pages the question of why language is structured the way it is must first of all be answered with reference to this function Linguistic explanations offered in terms of other exponents of language structure for example syntax are likely to highlight peripheral or epi phenomenal rather than central characteristics of language structure Heine provides a solid introductory treatment of the ways in which language structure that is grammar and language usage can be explained with reference to the processes underlying human conceptualization and communication Exploring an area of linguistics that has developed only recently and is rapidly expanding Cognitive Foundations of Grammar will appeal to students of linguistics psychology and anthropology especially those interested in grammaticalization processes *Cognitive Foundations of Grammar* Institute of African Studies University of Cologne Bernd Heine Professor of Linguistics, 1997-10-31 The main function of language is to convey meaning The question of why language is structured the way it is Heine here argues has therefore to be answered first of all with reference to this function Linguistic explanations in terms of other exponents of language structure e g of syntax are likely to highlight peripheral or epi phenomenal rather than central characteristics of language structure This book uses basic findings on grammaticalization processes to describe the role of cognitive forces in shaping grammar It provides students with an introductory treatment of a field of linguistics that has developed recently and is rapidly expanding

Worldview for Christian Witness Charles H. Kraft, 2008-06-01 In Worldview for Christian Witness Charles Kraft invites readers to understand REALITY as God sees it by learning to take seriously the insights of other societies The diversity of cultures can seem obvious but to really understand the significance of those surface level differences one needs to understand the deep level assumptions on which they are based
