**Recharge Your Batteries: Classroom Management** Laura A. Riffel, Ph.D., Jessica R. Eggleston, Doctoral Candidate, 2016-03-08 This book is designed to help teachers develop three strands of reinforcement in classroom management Support Interventions and Reinforcement will be addressed in ways that help classroom teachers braid behavioral techniques into their strategies The book will focus on environmental changes replacement behavior teaching and impacting our reactions as educators so that we feed the replacement behavior and extinguish the target behavior **Free or Low-cost Reinforcers for Appropriate Behavior** Laura A. Riffel, Ph.D., Jessica R. Eggleston, Ed.D., 2019-10-21 This book focuses on reinforcers non tangible you can use with students within the classroom setting or a whole school setting They can be used at the universal targeted or tertiary levels **Ok, Ok! But!! You Asked for It!** David Roy Patterson, 2011-03 Adventure mystery imagination immaturity and sometimes just plain ignorance that s what you ll find in this compilation of sixty two short memoirs The stories will take you from the innocent childhood of the author in the 1940s and 50s through the turbulence of school marriage and child rearing in the 60s through the 90s and eventual spiritual maturity of the author in these current days Each memoir though short in words is long in substance usually funny and a life lesson Ten of the stories are in fact near death experiences and examples of how the author lived his life without recognizing the signs that his Lord placed before him Each story stands alone without reference to the others However in whole the stories relate to a complete life change in the author from childhood to adulthood Many people do not pass beyond their first encounter with death some do but are left with scars and memories of their near miss Some people call it luck some call it coincidence and some a guardian angel s protection The author believes that the Lord placed signs before him and still does for everyone These signs are placed so that all will open their hearts and minds to the wondrous power of our Lord Jesus Christ The author is in no way proud of most of his memoirs as most of them occurred due to naivety an over active imagination or stupidity But he is thankful that Jesus has been patient with him through the journey Jesus can save all of us through our journey but it is up to us to accept Him and save our soul David R Patterson born raised and a life time resident
