The Great Gatsby , **Educational Experiences of Hidden Homeless Teenagers** Ronald E. Hallett,2012-01-30

Homeless youth face countless barriers that limit their ability to complete a high school diploma and transition to postsecondary education. Their experiences vary widely based on family access to social services and where they live. More than half of the 1.5 million homeless youth in America are in fact living doubled up, staying with family or friends because of economic hardship and often on the brink of full homelessness. Educational Experiences of Hidden Homeless Teenagers investigates the effects of these living situations on educational participation and higher education access. First-hand data from interviews, observations, and document analysis shed light on the experience of four doubled-up adolescents and their families. The author demonstrates how complex these residential situations are while also identifying aspects of living doubled up that encourage educational success. The findings of this powerful book will give students, researchers, and policymakers an invaluable look at how this understudied segment of the adolescent population navigates their education.

The Great Gatsby Levelled Comprehension Questions Shelly Buchanan, 2014-10-01. These leveled discussion questions about *The Great Gatsby* require students to read closely, make connections, and share their analyses. Included are leveled comprehension questions and suggested answers.

The Eleven Commandments of Good Teaching Vickie Gill, 2015-11-17. Vickie Gill's time-tested wisdom and practical advice provides the insight teachers need to develop a dynamic, successful classroom. This third edition of her bestseller contains new material that helps teachers work with new technologies, evolving social climates, limited budgets, and standardized testing. Drawing on lessons learned from 21 joyous years of teaching, Gill illustrates each commandment with authentic classroom stories and concrete guidance for staying enthusiastic and committed to excellence. The suggestions show how to ask for support from your principal or staff, reach difficult-to-teach students, choose your battles carefully, maintain an open mind and a flexible attitude, focus on why you became a teacher in the first place, rediscover your profound joy for teaching students, and what Gill calls the greatest of all professions.

Teaching on the Education Frontier Kristin Kipp, 2013-06-04. A groundbreaking guide to facilitating online and blended courses. This comprehensive resource offers teachers in grades K-12 a hands-on guide to the rapidly growing field of online and blended teaching. With clear examples and explanations, Kristin Kipp shows how to structure online and blended courses for student engagement, build relationships with online students, facilitate discussion boards, collaborate online, design online assessments, and much more. Shows how to create a successful online or blended classroom. Illustrates the essential differences between face-to-face instruction and online teaching. Foreword by Susan Patrick of the International Association for K-12 Online Learning. This is an essential handbook for learning how to teach online and improve student achievement.
