

Thank-You To A Special Teacher

Memories were made in this classroom,
Friendships were formed...and they grew.

Each little child, whether quiet or wild,
Learned so many great things from you!

You were the one they looked up to,
The teacher they came to adore,
The person they knew they could count on,
You were WONDERFUL...and so much more!

Your kindness will always stay with them,
And your gentleness was the key,
To helping them grow and helping them trust,
They could be just the BEST they could be!

Thank You, Teacher Holly and Bruce Holbert,2016-04-03 What do rock stars Nobel laureates bestselling novelists astronauts and attorneys have in common A teacher changed their lives Like them most of us can name a teacher who gave us not only good instruction but also confidence and drive But in the face of teachers being blamed for a variety of social and economic woes teachers themselves can easily wonder whether they are making a difference in students lives When veteran teacher Bruce Holbert asked himself this question his wife Holly responded by sending letters to hundreds of people she had never met and had no reason to believe would respond asking about teachers who mattered to them She was overwhelmed by answers Thank You Teacher presents more than eighty of these up close and personal stories By a delightfully diverse range of contributors these essays are wise and witty testaments to the teachers who do what they do every day without expecting recognition but who so richly deserve it
