The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya      **Kenya National Assembly Official Record (Hansard)** ,1966-11-01 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya      *Educational Authorities and the Schools* Helene Ärlestig,Olof Johansson,2020-05-28 This book describes and analyses the organisation functions and development of national educational authorities and agencies and the influence they have on local schools in 20 countries around the world It examines the governing chain in the respective countries from both a theoretical and descriptive perspective It does so against the background of the stability and rigour of the governing chains having been challenged with some researchers considering the chain to be broken However the view that comes to the fore in this book is that the chain is still present and contains both vertical implementation structures and intervening spaces for policy interpretation How schools become successful is important for the individual students as well as the local community and the national state A vast quantity of research has looked at what happens in schools and classrooms At the same time national governance and politics as well as local prerequisites are known to exert influence on schools and their results to a high degree Societal priorities problems and traditions provide variety in how governance is executed This book provides an international overview of the similarities and differences between educational agencies and how their work influences schools      *Governance, Management, and Accountability in Secondary Education in Sub-Saharan Africa* World Bank,2008-02-14 Increasingly the role of management and governance is recognized as important for providing and delivering effective services at all levels of education In view of the growing demand for more and better services at secondary education levels these are crucial issues that must be addressed urgently Sub Saharan Africa s secondary education and training systems must become more efficient and more effective The current unit costs of junior and senior secondary education in most African countries prevent massive expansion of post primary education This demands a holistic approach to governance and management issues In parallel there is a demand from civil society and governments for greater accountability This study aims to present best practices and identify sustainable development plans for expansion and improved quality and efficiency in the delivery of secondary education in Sub Saharan Africa through better governance management and accountability      *Developing a Professional Teaching Service* Ian G. Halliday,1999 This book initiates a debate on how governments especially in developing nations can best enlist the expertise of people with an involvement or interest in educating the youth of the nation It is directed at Ministers and Permanent Secretaries policy makers and people in industry commerce tertiary education and teachers Published with the Association for the Development of Education in

Africa Report of the Commission of Inquiry (Public Service Structure and Remuneration Commission), 1970-71 Kenya. Commission of Inquiry (Public Service Structure and Remuneration Commission), D. N. Ndegwa, 1971 *Participatory Development in Kenya* Josephine Syokau Mwanzia, Robert Craig Strathdee, 2016-05-13 Participatory Development PDev has been embraced by Third World governments and international organizations such as the World Bank as a means to reduce poverty and empower disadvantaged communities The emphasis on creating partnerships and using participatory and people centred approaches has obvious political appeal yet there is evidence that in practice interventions designed to increase PDev and reduce poverty have yet to have the desired empowerment transformation and sustainability effect Using an in depth study of the Basic Education Improvement Project BEIP implemented by the Government of Kenya the authors of this book critically assess the fit between policy practice and theory of PDev to shed light on theoretical debates that are on going in development Kenya National Assembly Official Record (Hansard) , 1974-05-28 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya **Education, Equity and Transformation** Crain Soudien, Peter Kallaway, 1999-12-31 The papers for this special issue were selected from a pool of nearly 700 presentations which were made at the 10th Congress of the World Council of Comparative Education Societies WCCES which was held in Cape Town South Africa from 12 to 17 July 1998 The congress was hosted by the Southern African Comparative and History of Education Society SACHES and held on the campuses of the University of the Western Cape and the University of Cape Town The papers were selected by the convenors of the conference s standing commissions which provided a significant focus for the conference proceedings These commissions were on the following themes Teachers and teacher education Curriculum Higher education Lifelong learning Language literacy and basic education Gender and education Policy Theory and theory shifts Basic education in Africa Peace and Justice Dependency European Education Policy Research in Africa Culture Indigenous Knowledge and Learning The papers presented as the discussion below makes clear ranged widely in subject matter and theoretical perspective and addressed issues of concern both to individual countries and to regions of the world While some of the papers use comparison as an approach it remains a matter of concern that the comparative perspective is so little in evidence It is hoped that the comparative research approach will be more in evidence in the future **Global Education Monitoring Report** Bangladesh Rural Advancement Committee, Central Square Foundation (India), Global Education Monitoring Report Team, Idara-E-Taleem Oaagahi (Pakistan), Institute for Integrated Development Studies (Nepal), Institute of Policy Studies of Sri Lanka, 2022-11-01 **Preparation and Development of School Leaders in Africa** Pontso Moorosi, Tony Bush, 2019-11-28 The book is based on African research and reviews on school leadership preparation and development taking stock of where the field is in this geographical region and what lies ahead The exclusive focus on sub Saharan African countries is driven by the desire to foreground African experiences highlighting gaps and
